2026 Big Game Brochure Corrections

Latest Update: February 13, 2026

Updated: Febraury 13, 2026

Elk: Muzzleloader — Limited Licenses — Page 44

A correction has been made since the time of publication to elk muzzleloader hunt code **E-M-059-O1-M**. The hunt code was incorrectly published as a "List B" license.

The correct information is:

Elk muzzleloader hunt code **E-M-059-O1-M** is a "List A" license.

The online version of the brochure has been updated with this correction: **cpw.state.co.us/big-game-brochure**

As printed in the brochure:

What's New: 2026

- **Certain moose hunt codes will have limited quota in the draw in 2026:** Some of the quota for certain hunt codes for moose have been reserved for 2025 moose license holders who were affected by the 2025 fires. *See chart on page 58.* Hunt codes shaded in orange in the moose hunt code tables on pages 59–61 have limited quota available for the 2026 draw as a result. *Unless you were contacted directly by CPW about this opportunity, any other 2025 moose licenses held are not eligible for a guaranteed 2026 license.*
- **Mandatory chronic wasting disease (CWD) testing for harvested elk in select GMUs:** In 2026, CPW will require mandatory submission of CWD test samples (heads) from all elk harvested during any of the rifle seasons from specific GMUs. There will be no charge for mandatory testing. Get more information about where and how to submit a CWD sample at **cpw.state.co.us/cwd**. *See page 41 of the "Elk" section for a list of the mandatory GMUs.* **There will be no mandatory CWD testing for harvested deer in the 2026 seasons.**
- **Expanded lifetime bag limits for moose:** Lifetime bag limits for bull moose will exclude those harvested with a Turn in Poachers (TIPs) license and allow hunters to redeem a reward for their efforts to report wildlife crimes without losing their regular opportunity to apply through the draw for male or either-sex licenses for those species. CPW wishes to incentivize hunters to report poaching and other illegal activities; CPW does not want TIPS licenses to be a barrier to future hunting opportunities.
- **Boundary modifications for some GMUs:** Updated descriptions for GMUs 97 and 99. *See boundary descriptons on page 71 for more information.*
- **Forest Service Closure (Unit 74):** There will be a Forest Service closure on Hermosa Park Rd. (FS 578) from Sept. 8–Oct. 13, 2026, which will affect access to a major portion of GMU 74. *Call the Columbine Ranger District at 970-501-5830 for more information.*
- **Elk antler-point restrictions altered for Ranching for Wildlife properties:** Antler-point restrictions for elk on Ranching for Wildlife (RFW) properties will follow the antler point restrictions for the GMU in which the ranch is located. *See page 36.*
- **New deer, elk, pronghorn, moose & bear changes:** For detailed species-specific new hunts and changes, see the individual species pages:
  Deer: page 20 **Pronghorn:** page 53 **Bear:** page 62
  Elk: page 35 **Moose:** page 58
- **First-season rifle deer buck hunts added for GMU groupings 75 & 751, and 77, 78 & 771:** *See pages 30–32.*
- **Elk over-the-counter and nonresident archery hunts added in GMUs 59, 511, 581 & 591:** GMUs added to valid over-the-counter antlerless archery units. *See page 38.* License **E-F-059-V1-A** (GMUs 59, 511, 581 and 591) added to limited nonresident archery licenses. *See page 43.*
- **Second and third-season rifle bull elk licenses in GMUs 54, 55 & 551 moved from unlimited over-the-counter to limited:** *See pages 48 & 52.*
- **Second-season rifle pronghorn doe hunt in GMU grouping 6, 16, 17, 161 and 171.** *See pages 56–57.*
- **New resident moose bull and cow hunts for GMUs 55 & 551:** *See pages 59–61.*
- **New private-land-only rifle bear hunt for units 3, 11, 211 & 301:** *See page 64.*
- **Backcountry Search and Rescue surcharge increase:** The Backcountry Search and Rescue (BSAR) surcharge, a funding source for life-saving search and rescue operations, has remained at $0.25 since its inception in 1987. The increase to $1.25 addresses significant changes in both the demand for, and the cost of, these essential services. *Learn more about Backcountry Search and Rescue at* **cpw.state.co.us/BSAR**.
- **Reminder: Nonresident archery elk licenses:** Nonresidents can no longer buy over-the-counter archery elk licenses for GMUs west of I-25 and GMU 140. For limited hunt codes for nonresident archery elk west of I-25, see the hunt code table on page 43. These new limited nonresident archery elk licenses can be applied for in the draw. Nonresidents can still hunt over the counter in certain GMUs east of I-25 with hunt codes **E-F-133-U1-A** and **E-E-087-U1-A**. *See maps on pages 38–39 for more details.*
- **Reminder: Draw changes coming in 2028:** The Parks and Wildlife Commission approved policy recommendations from the appointed Draw Process Working Group to reduce complexities within Colorado's draw system and address preference point issues. The updated draw policy will go in to effect in 2028. *See the updated policy at:* **cpw.state.co.us/2028-draw**.

New Wild Bison is a Big-Game Species

The Colorado Parks and Wildlife (CPW) Commission approved regulations giving bison a dual classification as both livestock and wildlife, following the direction of the 2025 Protect Wild Bison Act (SB25-053). **CPW regulations are designed to implement SB25-053. CPW is not proposing regular bison hunting seasons at this time.** Under the new regulations, privately owned bison herds will continue to be managed as livestock. However, free-ranging bison that naturally enter the state from neighboring jurisdictions will now be managed as wildlife, specifically as a big-game species under CPW authority.

About the free-ranging herd

SB25-053 was intended to protect wild bison coming into Colorado from the Utah Book Cliffs bison herd northwest of Grand Junction and southwest of Rangely. Prior to SB25-053, when Book Cliffs bison entered Colorado, they were unprotected due to CPW's domestic-animal classification in regulations. In Utah, the Book Cliffs bison herd is managed by the Utah Division of Wildlife Resources as big-game wildlife with regulated hunting.

The current population estimate of the Book Cliffs bison herd is 580 bison, and there are approximately 130 bison in the sub-herd closest to Colorado. Colorado district wildlife managers have confirmed approximately 12 bison harvests in Colorado in the last 10 years with an estimated 25 bison harvested in Colorado in the last 20 years. ***Note:*** *Routine testing has resulted in no diseases of concern detected in the Book Cliffs bison herd.*

What's next for hunters?

CPW is not proposing regular bison-hunting seasons at this time. However, special management licenses may be issued if necessary to manage bison that enter the state and move into undesirable areas, or for disease surveillance. Hunters interested in a chance at randomly drawing one of these Director-approved special management licenses may submit an application via **cpw.state.co.us/bison-roster**. *(The 2026 application window closed Jan. 31, 2026.)* Bison Roster applications are accepted Jan. 1–31, with one application allowed per individual. If a Director-approved drawing occurs, successful applicants will be notified using the information provided during the roster application. These Director-approved licenses may occur on an as-needed or case-by-case basis. Season dates or whether a season will take place are unknown at this time.

For roster applicants, if your contact information changes or you would like to remove your name from the bison roster, and for all other general Bison Roster questions, please call 303-297-1192.

Note: Colorado currently has no confirmed wild bison herds.

CPW is currently engaging stakeholders to develop a Book Cliffs Bison Herd Management Plan, which will establish the bison-management area and population objectives. For additional bison information and resources, go to **cpw.state.co.us/bison**.

Planning Your Hunt

This brochure will help you decide which big-game species you'd like to hunt, when and where you'd like to hunt, which method of take you'd like to use and the requirements for getting your hunting license. It only takes a few steps to plan your hunt!

1 Do you have your hunter education?

You'll need to have your hunter education certification and card number before applying for the draw(s) or purchasing a hunting license if you were born after Jan. 1, 1949. Remember that you *must* carry proof of hunter education in the field when you hunt!

See pages 5–6 for additional license requirements and how to obtain an apprentice certificate.

2 Which species do you want to hunt?

Colorado offers 10 big-game species. This brochure has hunting rules and options for deer (mule and white-tailed), elk, pronghorn, moose and bear. Pick the species and sex you're interested in hunting; Page 11 has information that helps identify different big-game animals.

3 Where do you want to hunt?

Colorado is divided into hunting areas called game management units (i.e. GMUs). It's important that every hunter knows the boundaries of their hunting area, including private land boundaries. Check out the state map and unit descriptions in the back of this brochure or online: **cpw.state.co.us/maps**

4 When do you want to hunt?

In general for deer, elk and bear hunting, archery season starts in early September and lasts almost a month. Muzzleloader season starts in the middle of archery season, and four rifle seasons follow that.

The first rifle season is limited to deer, elk and bear hunting only. The second, third and fourth rifle seasons are for elk, bear **and** deer hunters, who will be in the field at the same time.

5 What do you want to hunt with?

Colorado has seasons for archery, muzzleloader and rifle/associated methods hunting. *"Associated methods" are shotguns, handguns, muzzleloaders that are a minumum of .40 caliber (.50 caliber for elk and moose), hand-held bows and crossbows.* Legal requirements for the various methods and transporting them in the field are described in this brochure.

6 Types of licenses you can get

Each year, a set (limited) number of licenses is allotted to each GMU. You can apply for the big-game draw(s) to get one of these limited licenses, or after the draws are over, you can purchase a remaining (leftover) limited license when they go on sale.

Some licenses for elk, pronghorn and bear are also available without needing to enter the draw(s) and are not restricted in quantity (unlimited). These can be purchased over the counter after they go on sale online, by phone and in person at sales agents around the state.

7 Read this brochure!

Now that you have a plan, be sure to read through this brochure to help you get your license and be prepared out in the field.

The first 19 pages have all of your basic hunting information: new changes, license information, options and sales dates, general information, hunting laws, application information and deadlines, and how to read the hunt code tables. **Pages 20–67 break out each of the six big-game species in this brochure into their own sections.** Each section has species-specific regulation changes, season dates, how to get more than one license and hunt code tables. **The last few pages, 68–73,** provide a GMU map and detailed descriptions of the GMU boundaries and specific land restrictions.

Hunting License Terms & Definitions

License Types

- **Qualifying licenses:** A current-year qualifying license is required in order to apply for any of the big-game draws. *See page 4 for more.*

- **Limited licenses:** A set (limited) number of licenses are available for specific units and dates for each species, and are issued through an application and draw process.

  Limited licenses include:

  Public land licenses: Licenses you can get through the draw(s) that are valid on all CPW-owned or leased public lands, private lands and most federal lands in the specific units listed on your license/in this brochure.

  Private-land-only licenses: Licenses you can get through the draw(s) that are only valid on private lands in the specific GMUs listed on your license/in this brochure. **If your license hunt code has a "P" in the second-to-last part, it's valid on private land only. For example: E-F-007-P5-R.** *You **must** get landowner permission before applying for these licenses.*

  Leftover limited licenses: Licenses that weren't issued in the primary draw. They become the licenses eligible for the secondary draw, and any remaining licenses after the secondary draw become available as over-the-counter leftover limited licenses *(see "leftover limited licenses" below).*

  Ranching for Wildlife (RFW) licenses: Licenses that are available on certain ranch properties for Colorado residents only. See: **cpw.state.co.us/rfw**

  Season choice licenses: Licenses that let you hunt in any or all of the seasons (archery, muzzleloader and/or rifle/associated methods) in specified units with the correct method of take until your license is filled. These licenses are available for deer and bull or either-sex moose only. *See pages 32 and 61.*

- **Over-the-counter (OTC) licenses:** Licenses (unlimited, unlimited add-on bear and leftover limited) that are available without having to go through the draw(s). They do not require buying/having a qualifying license, do not use preference points and may be purchased any time before and during a season. They're available at over 650 sales agents around the state, including CPW offices and state parks, online, or by phone.

  Over-the-counter licenses include:

  Unlimited licenses: Licenses that are not restricted in quantity by CPW. You may purchase these licenses when over-the-counter licenses go on sale. "Unlimited" does not mean you can purchase an unlimited number of licenses: *See the "List A, B & C" definition at top right.*

  Add-on bear licenses: If you have an archery or muzzleloader deer or elk license, you can purchase an OTC bear license for the same method of take. At least one hunting unit must overlap on both licenses. Add-on rifle licenses are available this year if you have an E-E-061-E1-R license. *See the deer & elk hunt tables for available hunts (look for the bear paw symbol), pages 20 & 35, & "Bear," page 66.*

  Leftover limited licenses: Licenses that weren't issued in the primary or secondary draws go on the Leftover List. Reissued licenses *(see "reissues," bottom right and page 8)* also go onto the list. These are available for purchase in person, online or at sales agents starting on leftover day.

- **Landowner preference program (LPP) vouchers:** The LPP encourages private landowners to provide habitat for the benefit of wildlife populations and to relieve hunting pressure on public lands. Deer, elk and pronghorn vouchers are allocated to landowners who meet certain qualifications. Applications are drawn during the primary draw, and successful landowners receive a voucher for each winning hunt code. The voucher is transferred directly to a hunter, who then purchases a license to hunt. *See page 7 and* **cpw.state.co.us/LPP**.

Big-Game Draws

Primary draw: The first, main big-game draw of the year for hunters applying for limited hunting licenses.

Secondary draw: This draw replaces the big-game leftover draw from past years and includes deer, elk, pronghorn and bear. Applicants can apply for the secondary draw whether or not they applied for the primary draw. Preference points are not used or awarded in this draw.

List A, B & C *(List classifications are used for herd management)*

List A, B & C: All big-game hunting licenses are either List A, B or C, as indicated in the hunt code tables *(see image at right ►)* or next to most of the OTC maps. The List types exist so that you know if you can get more than one license for the same species:

Rifle — Limited Licenses

Unit	Valid GMUs	Dates	Sex	Hunt Code	List
		Oct. 1–11 *Early*	Either+	E-E-001-E1-R	A
	1	Oct. 14–18	Cow	E-F-001-O1-R	B
		Oct. 24–Nov. 1	Cow	E-F-001-O2-R	B
		Nov. 7–15	Cow	E-F-001-O3-R	B

Sample rifle elk table, page 45

- **List A:** You can only get **one** List A license = **A**
- **List B:** If a hunt is List B, you can get up to **two** licenses: one List A license and one List B license, or two List B licenses **= A+B or B+B**
- **List C:** If a hunt is List C, you can get **any** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C, etc. or B+B+C+C+C, etc.**

Preference Points

Preference points: Preference points help hunters to be successful in future primary draws because points add up per species until an applicant draws a first-choice license. One preference point is awarded to each applicant who qualifies for and **does not** draw their first-choice limited license for deer, elk, pronghorn or bear in the primary draw, or who applies using a specific preference-point hunt code that gets them a preference point only as their first choice.

Weighted preference points: For moose, Rocky Mountain bighorn sheep and mountain goat, applicants with at least three preference points will be awarded a weighted preference point in subsequent draws and will be given weighted preference during the license draw. *See page 9 for more details.*

Other Definitions

Carcass tag: The bottom portion of a hunting license, to be signed, removed and kept with the carcass **only** after harvesting the animal. *See page 16.*

CWD: Chronic wasting disease (CWD) is a fatal neurological disease that attacks the brains of deer, elk and moose, and has been found in several regions in the state. In 2026, CPW will require mandatory submission of CWD test samples for elk from certain hunt codes. *See pages 13 & 41.*

Float groups: When the quota — the number of licenses available — is assigned to a group of hunt codes, rather than just one, that is considered a float group. If you draw or purchase a hunt code in a float group, you may exchange that hunt code for another hunt in that group for a fee as long as your season hasn't started.

GMU: Huntable areas are broken down into units called "game management units." These units help you decide where you'd like to hunt. *See the GMU map on the inside back cover.*

Method of take: Colorado has hunting seasons based on archery, muzzleloader, and rifle and associated methods. "Associated methods" are shotguns, handguns, muzzleloaders that are a minumum of .40 caliber (.50 caliber for elk and moose), hand-held bows and crossbows. *See table on page 14 for details on which method you can use to hunt each of the big-game species in this brochure.*

Refunds: You can get a refund **or** have your preference points restored for a big-game license that you draw. You must return the license to CPW at least 30 days before the start of the season for which the license is valid.

Reissues: Most limited licenses that have been returned will be made available to other hunters through a reissue process. Returned limited licenses that took five or more preference points to draw will be offered to the next applicant in line, up to five applicants. Those that took four or fewer preference points to draw will be available to the public on the Leftover List.

Exchanges: You can exchange a license, as long as the license you want to get is for a hunt code for the same species as the current license and there is quota remaining (except for float groups and some unlimited licenses). In most cases, you can exchange from an OTC license to a limited license of the same species and vice versa. Note that there are no refunds or preference point restorations available on exchanged licenses. The fee to exchange is $5. Once a season starts, an exchange is no longer available.

License Options, Availability & Dates

Remember! You may submit one application for each species, per draw, per year. For each draw application, you may fill in up to 4 hunt code choices. **Only one license will be awarded per species, per draw.**

License Sales Dates

Colorado offers many different options for obtaining the various types of big-game licenses:

- **Qualifying Licenses**

On sale starting March 1

All applicants must first purchase (online, by phone or in person at sales agents) or hold a qualifying hunting license for the current license year **before** applying for either the primary or secondary draws. *Hunters who wish to purchase a leftover limited or over-the-counter license do not need to have a qualifying license.* **Draw applications will not be accessible until you purchase your qualifying license.** Licenses must be valid for the current 2026 license year. A 2026 Habitat Stamp will be automatically added when purchasing your qualifying license, if applicable.

Qualifying licenses:

- annual resident and nonresident small game
- annual resident combo small game/fishing
- annual resident senior combo small game/fishing
  - ► *Annual licenses are valid March 1–March 31 (13 months)*
- resident and nonresident spring turkey *(over-the-counter turkey licenses on sale March 1)*
- resident and nonresident fall turkey *(valid for the secondary draw only)*
- resident veteran lifetime combo small game/fishing
- resident first responder lifetime combo small game/fishing
- annual small-game license for resident senior lifetime fishing license holders

- **Limited Licenses: Primary Draw**

Available through the draw process

Applications accepted: March 1–April 7 *(8 p.m. MT)*

To get limited licenses or preference points, hunters must apply for the primary draw, either online at **cpw.state.co.us/buy-apply** or by phone at **1-800-244-5613**, by **April 7, 8 p.m. MT**. These licenses include public-land, private-land-only (PLO) and Ranching for Wildlife (RFW) licenses.

- **Limited Licenses: Secondary Draw**

Available through the draw process

Applications accepted: June 18–30 *(8 p.m. MT)*

The secondary draw has replaced the leftover draw of previous years. It is open to everyone, whether you applied for the primary draw or not. It includes the remaining limited licenses with quota from the primary draw for deer, elk, pronghorn and bear. To get limited licenses, hunters must apply for the secondary draw, either online at **cpw.state.co.us/buy-apply** or by phone at **1-800-244-5613**, by **June 30, 8 p.m. MT**.

If you draw a license in the primary draw, you can still apply for the secondary draw, too. You must have a qualifying license in order to apply. The $8.93 resident and $11.49 nonresident application fees apply. This draw does **not** use preference points, and you cannot apply for them. **Youth ages 12–17 receive priority for all licenses.** Any licenses remaining after the secondary draw (except for Ranching for Wildlife licenses) will be placed on the Leftover List and available for purchase starting Aug. 4 at 9 a.m. MT.

- **Leftover/Reissued Limited Licenses: Over-The-Counter (OTC)**

On sale starting August 4 *(9 a.m. MT)*

Available in person at sales agents (**cpw.state.co.us/license-agents**), by phone at **1-800-244-5613** or online at **cpw.state.co.us/buy-apply**. The Leftover List will be available in late July: **cpw.state.co.us/leftover-licenses**

The Reissue Preview List will be posted online every Tuesday at 11 a.m. MT, and those hunt codes will be available for purchase every Wednesday starting at 11 a.m. MT. All hunt codes will be released 11 a.m.–1 p.m. MT on Wednesday of every week, starting the week after leftover licenses go on sale. *No new hunt codes will be added to the list after 1 p.m. MT each Wednesday.* See the website for full details at **cpw.state.co.us/refunds**, and see page 8 for more details on the reissue process.

- **Unlimited Licenses: Over-The-Counter (OTC)**

On sale starting August 4 *(9 a.m. MT)*

Available in person at sales agents (**cpw.state.co.us/license-agents**), by phone at **1-800-244-5613** or online at **cpw.state.co.us/buy-apply**. Available big-game licenses can be purchased after the start of a season by phone, online and in person at sales agents around the state. *Note that add-on bear licenses are unlimited over-the-counter licenses.*

Nonresident License Allocations

Nonresident allocations are determined by the average number of preference points an adult Colorado resident needed to draw a specific license during the previous three limited license draws with a one-year lag (the 2026 draw allocation will be determined by the 2022, 2023, and 2024 limited draws).

For more information, read the CPW Big Game Hunting License Distribution FAQ or subscribe to our Hunting eNews for the latest information: **cpw.state.co.us**

1. For elk, deer, pronghorn or bear (previously only elk or deer) hunt codes that required six or more points for an adult Colorado resident to draw, up to 20 percent of the licenses may go to nonresidents. These hunts are designated in unit tables by a + under the sex column.
2. For hunt codes that required fewer than six points for an adult Colorado resident to draw an elk, deer, pronghorn or bear license, up to 25 percent may go to nonresidents.
3. Nonresident allocations may increase if licenses remain after all Colorado resident first choices have been drawn for that hunt code.
4. License allocations do not apply to private-land-only and Ranching for Wildlife licenses.
5. In a group of applications made up of both residents and nonresidents, all nonresidents in the group will count against the nonresident allocation; if all nonresident allocation is gone, the group will not draw.
6. Units with low numbers of available licenses may not have any remaining for nonresidents after resident licenses are drawn.

Accepted Forms of Payment

- **Online and by phone**: Visa, Mastercard, Discover credit/debit cards and CPW gift certificates.
  Note: If you're applying for the big game draw(s), you must provide a credit card number, CPW gift certificate, or a Visa or Mastercard gift card number to keep on file in your online account to be charged for your license. To use your gift certificate as payment for a license if you draw, you must enter the gift certificate information as the payment on file for your license, not just as the payment for your application, when submitting your application(s).
- **CPW offices/parks**: In addition to the above: check, money order, traveler's checks and cash.
- **Sales agents**: Any form of payment the agent accepts. CPW gift certificates are ***not*** valid.

If you're successful in the draw but don't receive your license in the mail by July 17, please contact us: **303-297-1192**

What You Need to Buy a License

1. ▪ **Proper Identification** **and** ▪ **Proof** of residency for Colorado residents *(page 6)*.
2. **Proof** of hunter education *(page 6)*.
3. **Habitat Stamp:** A 2026 or lifetime Habitat Stamp is required prior to buying a license or purchasing a qualifying license to apply for the draw(s) for anyone ages 18–64. One will be automatically added to your purchase, if applicable *(page 6)*.
4. **Qualifying License:** Required **only** for participation in the big-game draws *(page 6)*.

Note: A Social Security number or Individual Taxpayer Identification number is required for hunters age 12 and older, per federal law.

License Requirements

- You must have a license to hunt. Carry the physical license with you while hunting.
- You must carry proof of hunter education while in the field, unless it is verified and your license is marked with a "V." To get your hunter education card verified, take your hunter education card to a CPW office or state park.
- You may hunt only the animal, sex, season, unit(s) and method of take authorized by the license, and you must follow the specific land-use rules. Complete season dates may not be printed on the license because of space constraints. Check the details in this brochure for your specific license.
- It is illegal to give false information to obtain a license. It also is illegal to alter a license, or to loan, transfer, sell or give your license to someone else.
- If you lose or destroy your license, a duplicate is available for half the price of the original license, not to exceed $25. You can get a duplicate before the season opens from any sales agent. After the season begins, duplicate licenses are available only at CPW locations.
- Licenses expire on the expiration date printed on the license.
- Nonresidents can continue to use their combo fishing license after harvesting a big-game animal, as long as the carcass tag is the only part of the license that has been detached. The rest of the license must remain intact. The fishing license is good through March 31, 2027. *This fishing license is no longer valid if you return your big game license.*

1 Residency Requirements

- The physical residence address you give to buy or apply for a license must be the same as the address given for Colorado state income tax purposes.
- You terminate your Colorado residency if you apply for, buy or accept a resident hunting, fishing or trapping license issued by another state or foreign country, register to vote outside Colorado or accept a driver's license that shows an address other than in Colorado.
- Go online for more information: **cpw.state.co.us/colorado-residency**

Residency Types

1. Standard Colorado Resident

a. Requirements: You must live in Colorado for at least six consecutive months immediately prior to buying or applying for any resident CPW product, have your primary residence in Colorado, and have not applied for or purchased a resident license or pass outside of Colorado in the last six months.

b. Proof: Current and valid Colorado driver's license/ID with a Colorado address issued six or more months prior. If the Colorado driver's license/ID is not six months old, you must provide at least two forms of additional residency proof, as outlined in "Additional Residency Proofs" below.

2. Student: Attending School Full Time in Colorado

a. Requirements: You must be attending school full time at an accredited Colorado school starting at least six months prior to buying or applying for any resident CPW product.

b. Proof: Student ID, name of institution, date you became a full-time student, and school transcript showing full-time status.

3. Student: Attending School Full Time Outside of Colorado

a. Requirements: You must meet Colorado residency requirements and be attending an accredited school outside of Colorado, paying nonresident tuition.

b. Proof: Student ID, name of institution, date you became a full-time student, and proof of out-of-state tuition payment.

4. Military: Stationed in Colorado

a. Requirements: You must be active-duty military stationed in Colorado. Military member's spouse and/or dependents share the same residency status. Residency begins the date the orders begin.

b. Proof: Military ID and active orders.

5. Military: Colorado Home of Record

a. Requirements: You must be active-duty military stationed outside of Colorado, but with Colorado as your home of record, paying income tax as a Colorado resident. Military member's spouse and/or dependents share the same residency status.

b. Proof: Military ID and active orders.

6. Youth

Children under the age of 18 have the same residency status as their parent, legal guardian or person with whom they live the majority of the time per court order.

Other Residency Information

1. Additional Residency Proofs

If you otherwise meet residency requirements but your Colorado driver's license or ID was issued or renewed less than six months ago, or you have a CPW-approved religious exemption to photo identification on your record, you must provide at least two additional proofs of residency showing six consecutive months of Colorado residency immediately prior to buying or applying for a license.

Those proofs include: income sources (pay stubs), utility bills, state income tax documents (as a full-time resident), lease agreements/rent receipts, motor vehicle registration, voter registration.

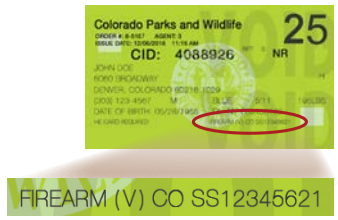
2. Multiple Homes

If you have a home in Colorado and another location, call 303-297-1192 to make sure you comply with Colorado residency requirements before obtaining a CPW license or state park pass

2 Hunter Education

Hunter Education (Safety) Requirements

1. Anyone born on or after Jan. 1, 1949, is required to have a hunter education card to hunt in Colorado.
2. A hunter education card is required to apply for or buy a hunting license.
3. Your hunter education card must be carried while hunting, unless it is verified and your license is marked with a "V." To get your hunter education card verified, take your hunter education card to a CPW office or state park.



4. CPW honors hunter education cards from other states, provinces and countries.

Hunter Education Exemptions

- Individuals over age 50 or active duty U.S. military and veterans can obtain a hunter education certificate by testing out of hunter education: **cpw.state.co.us/hunter-education-test-out**
- An apprentice certificate can be obtained for hunters who are at least 10 years old (age 12 for big game) and who must be accompanied by a mentor in the field. This hunter education waiver can be obtained twice in a lifetime: **cpw.state.co.us/apprentice-certificate**
- For more information, go to: **cpw.state.co.us/education-outreach**

3 Habitat Stamps

A Habitat Stamp is **required** for hunters and costs $12.76; only one is required per person, per year for anyone ages 18–64. Habitat Stamps are now valid March 1–March 31 of the following year (13 months).

- A lifetime stamp is also available for $384.16.
- **One 2026 Habitat Stamp will automatically be added to your first hunting or fishing license purchase of each license year, if applicable, including qualifying licenses.** Habitat Stamps are nonrefundable, even if you are unsuccessful in the draw.
- Anyone who is approved in the Columbine, First Responder, Veteran and/or Big Game Mobility Impaired programs is exempt from the Habitat Stamp requirement. See **cpw.state.co.us/park-specialty-passes**
- For more information, go to: **cpw.state.co.us/habitat-stamp**

4 Qualifying Licenses

A current-year qualifying license is required in order to apply for the primary and/or secondary big-game draw(s). Hunters who wish to purchase a leftover limited or over-the-counter license do not need to have a qualifying license.

Qualifying licenses:

- annual resident and nonresident small game
- annual resident combo small game/fishing
- annual resident senior combo small game/fishing
- resident and nonresident spring turkey
- resident and nonresident fall turkey *(valid for the secondary draw **only**)*
- resident veteran lifetime combo small game/fishing
- resident first responder lifetime combo small game/fishing
- annual small-game license for resident senior lifetime fishing license holders

Other License Options

Landowner Preference Program (LPP)

For Landowners:

1. Deer, elk and pronghorn licenses *(in units that are totally limited for all rifle licenses)* are allocated to deeded landowners who own at least 160 contiguous acres of private agricultural land. Further qualifications apply: **cpw.state.co.us/LPP**
2. Landowner preference quotas are:
   - **GMUs West of I-25:** 10 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher.
   - **GMUs East of I-25:** 15 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher and may only be transferred to a youth or an immediate family member.
3. LPP applications are drawn just before CPW's public limited drawing. Successful landowners receive a voucher for each winning hunt code. Landowners will be notified at the same time as public applicants.
4. The deadline to register for the current license year has passed. Registrations must be submitted by Dec. 1 annually for the following year's hunting season. Registrations, once approved are valid for up to five years.

For Hunters:

1. Landowner vouchers may be transferred one time only. The transfer of the voucher occurs when the hunter's name is written on the voucher, or the landowner or designated land manager hands (or mails) the voucher to the hunter.
2. The landowner or designated land manager must transfer the voucher directly to the hunter. A voucher that has been transferred by any person who is not the landowner or designated land manager is **void**. A voucher that is brokered for another person is **void**. A hunting license obtained for use with a **void** voucher is also **void**. No person shall broker a voucher on behalf of any landowner or person, or use or possess any brokered voucher.
3. If a hunter cannot use a voucher, the voucher becomes **void**. The voucher **cannot** be reprinted or transferred to another hunter, even if the voucher has not been redeemed for a license.
4. Annual bag limits still apply. Be sure you can legally have the license before acquiring a landowner voucher. List A, B or C is printed on the voucher. *See pages 20, 36 and 53 for details.*
5. The transfer of a voucher by a landowner or designated land manager includes permission to access and hunt all of the registered land for which the voucher was awarded, and for the entire season for which the voucher was awarded, without discrimination among hunters entering the land. Restrictions are not allowed, except for manner of access *(i.e. foot, horseback, vehicle)* reasonably necessary to prevent damage to land.
6. The hunter must take the voucher in person to a sales agent or CPW location to be redeemed for a proper and valid license **prior** to hunting. The appropriate license fees are paid at that time.
7. A list of landowners is **not** available from Colorado Parks and Wildlife.

Broker: for a third party to transfer a voucher for compensation for any other consideration, or otherwise arrange for such transfer, on behalf of the landowner or land manager, or on behalf of any individual.
Transfer: to buy, sell, assign, trade, exchange, acquire or otherwise arrange to buy, sell, assign, trade, exchange, acquire or dispose of a voucher.
Immediate family: the landowner's spouse, parent, grandparent, child, grandchild and sibling, including in-law and step relations.

Auction & Raffle Licenses: Win the Hunt of a Lifetime!

Special auction and raffle licenses are available for deer, elk, pronghorn, moose, Rocky Mountain bighorn sheep and mountain goat. A total of 18 auction and raffle licenses allows one to hunt during extended seasons in any unit open to hunting a certain species. These licenses are offered by participating wildlife conservation organizations that return at least 75 percent of the proceeds to CPW for research, management and education. **For information on purchasing raffle tickets for licenses or participating in auctions, visit any of the following websites or go here: cpw.state.co.us/auction-and-raffle-licenses**

"My brothers Brad and Thad were instrumental in me being successful with his hunt. Their knowledge was invaluable, especially my brother Thad's. He too won this same statewide moose tag back in 2015. It felt unbelievable to follow in his footsteps." – *Brian McCool, 2025 moose raffle license winner*

Hunters with Disabilities

CPW offers several programs for hunters and anglers with disabilities.
Go to **cpw.state.co.us/hunters-with-disabilities** for more on each program and how to apply. These programs require advance legal paperwork submissions: Please apply **at least 30 days** prior to when you wish to use the permit or license. *Due to volume, applications cannot be expedited.*

Hunters with Disabilities
Accommodation permits are available to hunters with disabilities. Hunters must have a temporary or permanent disability that significantly impairs **major daily life functions** and the ability to hunt.

Hunters with Mobility Impairments
Some doe deer, cow elk and doe pronghorn licenses are offered to hunters with mobility impairments. Hunters must have a mobility impairment resulting from permanent medical conditions, making it physically impossible to hunt without someone else's help.

Resident First Responder Lifetime Combo License
Colorado resident first responders who have proof of a permanent occupational disability can qualify for the First Responder program to obtain a lifetime combo small game/fishing license.

Resident Disabled Veteran Lifetime Combo License
Military veterans who are Purple Heart recipients or have a service-connected disability (with an overall combined rating of 50% or more by the Deptartment of Veteran's Affairs) and are residents of Colorado can obtain a lifetime combo small game/fishing license.

Applications & Preference Points

For any account issues, please contact us at: 303-297-1192 (M–F, 8 a.m.– 5 p.m. MT) or **1-800-244-5613** (24/7)

Application & Correction Deadlines

Primary draw: **April 7** *(8 p.m. MT)*
Secondary draw: **June 30** *(8 p.m. MT)*

Application corrections must also be made by this date.

NOTE: You can check the status of your application(s) in your online CPW account throughout the application, draw and payment process: **cpwshop.com**

Draw Results: Posted to Your CPW Account

Primary draw: **May 26–29**
Secondary draw: **July 7**

Make sure your credit card and contact information is current both before and after the draws. CPW charges payments for awarded licenses automatically and sends courtesy email confirmations that you do not want to miss. **Make sure the email address in your account is up to date.**

Once the **primary draw** is complete, CPW will send emails to customers who are successful in the primary draw and then the secondary draw if applicable, and provide them with a short period when they can decide to surrender their license if they no longer want it, receiving preference point restoration to a pre-draw level, a refund of the license fee and removal of the license from the customer's account. **The deadline for the primary draw surrender period is June 1, at 11:59 p.m. MT. The deadline for the secondary draw period is July 9, at 11:59 p.m. MT. To surrender your license, go to your license draw results email receipt.**

Payment Deadlines

Primary Draw: **June 12** *(11:59 p.m. MT)*
Secondary Draw: **July 21** *(11:59 p.m. MT)*

The payment deadlines are final. If we're unable to charge the credit card on file in your account by the payment deadline, your license will be forfeited. CPW only makes one attempt to automatically charge the card on file. It is the customer's responsibility to manually pay any balance remaining after the initial charge attempt. Updating your credit card information on your account does not constitute payment, the license must be added to the cart and finalized.

It is the customer's responsibility to know the payment deadlines and verify that their awarded licenses have been paid for prior to the payment deadlines.

All big-game license applications for the draw(s) are only available **online** (go to **cpw.state.co.us/buy-apply**) or **by phone** (1-800-244-5613).

Refunds

1. Application fees, the $12.76 Habitat Stamp fee, qualifying licenses and preference point fees are nonrefundable.
2. **If you drew a license you would like to return, payment for the license is still required first.** You can then return it for a refund **or** preference point restoration. You must relinquish your license **and** carcass tag at least 30 days before opening day of the season for which the license is valid.
   - License must be accompanied by a completed request form obtained at a CPW location or our website. Most refunds are subject to a $15 processing fee. Preference points are reinstated to a pre-draw level. You do **not** receive an additional preference point for 2026.
   - Refund requests must be dropped of at a State Park or Office, or postmarked at least **30 days** before opening day of the season for which the license is valid and mailed to CPW, attn: Refund Office, 6060 Broadway, Denver, CO 80216. It is recommended that you send these with tracking. A license cannot be recovered once it has been returned along with a refund or preference point restoration request form to CPW.
3. Once there are fewer than 30 days until the season starts, refunds or preference point restorations are limited to extreme medical circumstances involving the license holder or a license holder's immediate family member, death of the license holder or death of the license holder's immediate family member, members of the U.S. military whose service prevented them from requesting a refund or reinstatement on time, or jury duty which overlaps with the season dates on the license.
   - These requests must be accompanied by evidence that precluded the license holder from being able to make their request 30 days or more from season start.
   - Customers with an extreme medical circumstance will need to fill out the Extreme Medical Exception request form. Find instructions online: **cpw.state.co.us/refunds**

Reissues

The Reissue Preview List will be posted online every Tuesday at 11 a.m. MT, and those hunt codes will be available for purchase every Wednesday starting at 11 a.m. MT.

- Beginning **Aug. 11**, the Reissue Preview List will be published on the website every **Tuesday at 11 a.m. MT**. Find the Reissue Preview List here: **cpw.state.co.us/refunds**
- Hunt codes that were on the Reissue Preview List become available for purchase each **Wednesday starting at 11 a.m. MT**.
- All hunt codes will be released 11 a.m.–1 p.m. MT on Wednesday of every week, starting the week after leftover licenses go on sale. *No new hunt codes will be added to the list after 1 p.m. MT each Wednesday.*
- The Reissue Preview List will be cleared after sales begin on Wednesday and will repopulate the following Tuesday. Remaining licenses left unsold will move to the leftover license list.
- Go online for more details: **cpw.state.co.us/refunds**

Exchanges

1. All license exchanges will be charged a fee of $5.
2. No refunds or preference point restorations are available on exchanged licenses.
3. Exchanges can be completed at a CPW office or park up until the day before the season starts on the original license. Once a season starts, an exchange is no longer available.
4. Licenses may only be exchanged for a hunt code for the same species as the current license.
5. Exchanges cannot be completed until leftover limited licenses and OTC licenses go on sale, Aug. 4 at 9 a.m. MT.

Preference Points

1. **One preference point is awarded per species applied for** to hunters who apply properly and are unsuccessful in drawing a license for a first-choice hunt code in the primary draw for big-game species in this brochure. You may apply for a preference point as your first-choice hunt code *(see below)*.

   Preference points are only used during the primary draw; they do not apply to the secondary draw.

2. **Youth ages 12–17** can apply for a point. Youth age 11 can also apply for a point, provided they turn 12 in 2026.

3. **Preference point hunt code:** You can gain a preference point as a first choice on your application to use another year; specific preference-point hunt codes are listed at the beginning of each species section in this brochure. You can also choose other hunt codes as your second, third or fourth choices. Do not submit a separate application for preference points, or both applications will be disqualified.

4. **If you are issued a first-choice license,** all accumulated preference points for that species become void and return to zero.

5. **Points accumulate** until you draw a first-choice license. **If an applicant fails to apply for a species or has not purchased a license for that same species during any given 10-year period, all accumulated preference points for that species become void.**

6. **Priority** goes to those with the most points, except when the license quota or nonresident cap would be exceeded, and except for the hybrid draw. *See page 19 for hybrid draw information and hunt codes.*

7. **Group application** priority is based on the member with the fewest points. *See "Apply as a Group for Hunts" at:* **cpw.state.co.us/apply-for-group-hunts**

8. **Second-, third-, fourth-choice,** over-the-counter, leftover limited licenses and the secondary draw don't use or generate points.

9. **Preference point fee:** The preference point fee does not apply to deer, elk, pronghorn or bear. See right for details on the preference point fee for moose, Rocky Mountain bighorn sheep and mountain goat.

10. **Current preference point levels** will be listed in your CPW account: *Go to* **cpw.state.co.us/buy-apply**

11. **Preference points are not transferable between hunters.** Points are awarded for specific species, not for hunt codes, sex, unit(s), season(s) or method of take.

12. **Active duty U.S. military** stationed in Colorado or who claim Colorado as their home of residence and are deployed outside the United States are eligible, when they return home, to apply for preference points for any primary draws they missed while deployed. Applications will be available at the end of July.

Learn about the primary draw process and preference points:
cpw.state.co.us/primary-draw

Preference-Point Fee

- Moose, Rocky Mountain bighorn sheep and mountain goat have a preference and weighted preference point fee. If you apply for a preference point hunt code as your first choice or are unsuccessful in drawing your first choice hunt, **you'll be charged a $50 resident or $100 nonresident preference point fee.** *The fee is waived for youth and resident lifetime license holders. Residents who are in the military on active duty outside of Colorado can request a preference point fee refund.*
- You'll have the option to **opt out** of paying the preference point fee while filling out your draw application(s), and therefore will not be charged the fee and will **not** acquire a preference or weighted point for 2026. This includes if you apply for a preference point hunt code as your first choice.
- If you apply for a point only, your credit card on file will be charged after the draw. The application fee, $12.76 Habitat Stamp and qualifying license are nonrefundable. If your card can't be charged, we will email you. If you don't pay by the payment deadline **(June 12)**, you will forfeit your preference point for 2026.

Weighted Preference Points

1. There are three species of big-game animals that use the weighted preference point system to award licenses in Colorado: moose, Rocky Mountain bighorn sheep and mountain goat.
2. Weighted preference increases your probability of drawing and applies to both male and female licenses.
3. Hunters can only accumulate up to three points for moose, Rocky Mountain bighorn sheep and mountain goat. If you have three preference points and you fail to draw a first-choice license, you will receive weighted preference.
4. Weighted preference is calculated by converting your application number into a different, random application number, then dividing that new application number by the number of weighted points you have, plus one. Individuals with three preference points and no weighted preference will have their application number divided by one.
5. This generates a new application number. Applications are sorted by this new number from lowest to highest, and low numbers for each hunt code are awarded licenses.

Note: The preference point fee for moose, Rocky Mountain bighorn sheep and mountain goat applies to preference points **and** weighted preference points.

LEAVE NO TRACE Proud Partner

The Leave No Trace Principles are the best way to minimize your impact while hunting:

- **Plan ahead and prepare:** Get permission to hunt private land, respect road closures, leave gates as found.
- **Travel and camp on durable surfaces:** Good campsites are found, not made. Use existing sites whenever possible.
- **Dispose of waste properly:** Pack it in, pack it out. All trash including food scraps and toilet paper.
- **Leave what you find:** Sight-in firearms away from hunting areas—do not use signs for target practice. Clean all gear between trips.
- **Minimize campfire impacts:** Use an established fire ring or fire pan, and don't put trash or food in the fire pit.
- **Respect wildlife:** Never feed wild animals; store your camp food and trash securely.
- **Be considerate to other visitors:** Be aware of the direction you shoot and be courteous and welcoming to others you see.

The LNT Center respects the tradition of hunting on public lands, expects hunters to abide by state game and hunting laws, and encourages all hunters to put Leave No Trace skills and ethics into action on every hunt. How to Read Hunt Codes

Hunt codes contain a lot of information

Learning how to read hunt codes can ensure that you apply for the right hunt in the limited license draw(s) each year. **Hunt codes are an 8-character code used to designate species, sex, GMU, season and method of take:**

Rifle — Limited Licenses

Unit	Valid GMUs	Dates	Sex	Hunt Code	List
16	14, 16, 161 *Mt. Zirkel Wilderness*	Sept. 12–20 *Early*	Buck	D-M-014-E1-R	A

Sample rifle deer table, page 27

D-M-014-E1-R
1 2 3 4 5

For example, the hunt code at left reads:

D-M-014-E1-R

D = deer
M = male
014 = unit number 14
E1 = early season
R = rifle

A deer hunt, for a buck, in unit 14, during the early season for rifle.

1 **First character**	designates the species:	**D** = deer **E** = elk **A** = pronghorn **M** = moose **B** = bear
2 **Second character**	designates the sex of the animal:	**M** = male **F** = female **E** = either sex
3 **Third characters**	designate the game management unit (GMU): *If more than one unit is valid, only the lowest unit number will appear.*	**001** = unit 1 **201** = unit 201 **etc.**
4 **Fourth characters**	indicate the season/hunt dates: ***NOTE:** Be aware that the zero (0) in the hunt units and the letter "O" in the season section look similar!*	**O1– O6** = seasons **P1–P6** = private-land-only hunts **E1–E2** = early seasons **L1–L3** = late seasons **K1–K3** = youth-only hunts **S1–S4** = special or split seasons **U1–U6** = unlimited seasons **V1** = nonresident only **W1–W6 or J** = Ranching for Wildlife
5 **Fifth character**	designates the method of take: *"Associated methods" are shotguns, handguns, muzzleloaders that are a minumum of .40 caliber (.50 caliber for elk and moose), hand-held bows and crossbows.*	**A** = archery **M** = muzzleloader **R** = rifle and associated methods **X** = season choice

Other hunt code table symbols

1. **A square bullet (▪)** in the **unit** column indicates there is a special note about that unit, displayed below the hunt code information.
2. **A plus (+)** in the **sex** column indicates hunt codes for which an average of at least six preference points are needed for a resident to draw that license. This is only an average and does not guarantee a license will be drawn. *These calculations are based on a rolling three-year average for the previous three limited license draws, with a one-year lag. See "Nonresident License Allocations" on page 4.*

How to Read Hunt Code Tables

Hunt tables show the limited licenses available

These are available through the primary or secondary draws.
Hunt tables for bear on pages 66–67 contain hunt codes for over-the-counter licenses. These are not available through the draw.

1 **Rifle — Limited Licenses**

2 Unit	3 Valid GMUs	4 Dates	5 Sex	6 Hunt Code	7 List
15	15	Oct. 24–Nov. 1	Buck	D-M-015-O2-R	A
			Doe	D-F-015-O2-R	B
		Nov. 7–15	Buck	D-M-015-O3-R	A
			Doe	D-F-015-O3-R	B
		Nov. 18–22	Buck	D-M-015-O4-R	A
	15 *private land only*	Oct. 24–Nov. 1	Either	D-E-015-P2-R	A
		Nov. 7–15	Either	D-E-015-P3-R	A

Sample rifle deer table, page 27

1. **The title** above each table indicates the method of take for the hunt codes within that table. Start here to find the method of take you wish to use.

2. **The unit column** is where you'll look next to locate the game management unit (GMU) you wish to hunt. Please read the unit tables carefully. Some licenses are valid in one unit only, while others are valid in multiple units. This column also indicates which hunts offer add-on bear licenses in the over-the-counter deer and elk archery, muzzleloader and rifle tables: **Look for the bear paw symbol!**

3. **The valid GMUs column** will display information for each hunt and whether it is private land or has other restrictions. ***If a hunt is labeled as private land, you must get permission from a landowner in that unit before you hunt.***
   - If the hunt code for a certain unit is also valid in additional units, the **valid GMUs** column will list all the game management units (GMUs) where you can hunt with that same license.
   - If a unit has the same hunt details and hunt codes as another unit, the chart will read **"see unit __."** Look up the unit referred to for the correct hunt codes for your hunt.

4. **The dates column** lists the applicable season/hunt dates when the license is valid. Each unit may have multiple hunt dates, so please read carefully.

5. **The sex column** indicates which sex of animal can be hunted for that specific hunt code. Read the information carefully because the sex of an animal that is huntable in a unit may have changed from previous years.

6. **The hunt code column** displays the code you will use to apply for the license you want. There are many possible hunt codes associated with each unit, and they may have changed since the last time you hunted, so please read carefully. *See section at left on how to read hunt codes.*

7. **The list column** displays what type of license you are buying. There are opportunities to purchase more than one license during the year, as long as the licenses meet the requirements of being List A, B or C.
   For details, see the "List A, B & C: Get More Than One License" charts under the big-game species you'd like to hunt in the following brochure pages. When applying in the draw, **do not** include the list letter on the application.

Note:** You may submit one application for each species, per draw, per year. For each application, you may fill in up to four hunt code choices. **Only one license will be awarded per species, per draw.

General Information

Field information & reference: tools, tips & resources for hunting colorado

Big-Game Species Identification

1 **ID first, trigger finger second.**
Take as much time as necessary to identify an animal before you shoot. Use your binoculars, not your rifle scope, to make a positive ID on an animal. Then put your finger on the trigger.

2 **Study the body.**
There are telltale ways to tell different animals apart. Don't just look at an animal's antlers; study the entire head and body of an animal before you shoot. This will help distinguish elk from moose and mule deer from white-tailed deer.

3 **Watch for babies.**
When hunting elk or moose, be careful not to mistake a moose calf for a cow elk. Young moose have a reddish coat, similar to an elk. Also, it is illegal to kill a bear that has cubs with it. Bear cubs younger than a year old cannot be harvested.

4 **Make a mistake?**
Accidents happen. If you've shot the wrong species of animal in the field, don't panic. Field dress the animal, then call the local district wildlife manager or the CPW office nearest to you, listed at the front of this brochure. Admitting a mistake is a hunter's most responsible plan of action.

Learn more about all of Colorado's big-game species at cpw.state.co.us/big-game

Attention! Moose can be found in the same habitat as elk in Colorado. Elk hunters must know the difference between the two species to avoid accidentally killing a moose.

Elk

Illustration © Robert Neaves. Montana Fish, Wildlife & Parks. Used with permission.

Traits

- **Body:** reddish, lighter brown, darker legs
- **Neck:** chestnut brown
- **Snout:** slender
- **Rump:** pale yellow
- **Bulls:** antlers aren't palmated and have obvious brow tines coming off main beam

Moose

Illustration © Robert Neaves. Montana Fish, Wildlife & Parks. Used with permission.

Traits

- **Body:** black or dark brown with paler gray legs and belly
- **Neck:** large bell (beard) on throat
- **Snout:** overhanging, bulbous nose
- **Bulls:** palmated antlers with tines

Attention! It is quite common to find both mule deer and white-tailed deer in the same areas, especially on the Eastern Plains. Since both types of deer have the same general body shape and size, hunters can look for a few key differences to make a positive identification. The primary telltale characteristic a hunter should look for is the tail.

Mule Deer

Illustration © Robert Neaves. Montana Fish, Wildlife & Parks. Used with permission.

Traits

- **Tail:** rope-like tail with black tip
- **Antlers:** fork and then fork again, usually very evenly, on older males
- **Ears:** large in proportion to head on both bucks and does
- **Gait:** stiff-legged bounce, tail held down
- **Range:** statewide; in mountain shrubs, foothills, communities

White-Tailed Deer

Illustration © Robert Neaves. Montana Fish, Wildlife & Parks. Used with permission.

Traits

- **Tail:** broad and brown with white fringe; all white when tail is up
- **Antlers:** consist of one main beam with three to five tines pointing upward
- **Ears:** smaller in proportion to head
- **Gait:** move with a graceful lope, flag-like tail often held up
- **Range:** common on Eastern Plains; in streamside woodland areas; cropland along rivers

Pronghorn

© Wayne D. Lewis, CPW

Buck Traits

- **Horns:** Prominent, with prong or point between the base and tip
- **Face:** Black cheek patch

Doe Traits

- **Horns:** May have horns less than 5 inches
- **Face:** No black cheek patch
- **Fawns** of either sex are considered does

Bear

© Wayne D. Lewis, CPW

Traits

- **Coat:** Adults have long, thick hair; yearlings may have thin, bleached-looking hair
- **Ears:** Small ears and a large head usually indicates a large bear
- **Face:** Narrow face and long noses are a trait of young bears that are not yet adults

Additional Opportunities

Hunting Reservation System (HRS) for Big-Game

Hunters must make big-game hunting reservations for all properties that require them, either online or through the reservation phone number: 1-800-244-5613. Reservations are available starting at 9 a.m. Go online to learn more and find properties that require reservations: **cpw.state.co.us/hunting-reservations**

Big Game Walk-In Access Program

The Big Game Walk-In Access Program offers big-game hunting on many properties across eastern Colorado. There will be overlap in small-game and big-game seasons, and properties will be signed with WIA boundary signs.

In 2026 these properties are open for big-game hunting to properly licensed hunters during established big-game seasons from Sept. 1–Dec. 31 and to small-game hunting from Sept. 1–Feb. 28, 2027. Big-game hunters must possess a valid pronghorn, deer or elk license valid for the unit in which the Walk-In Access property lies. All normal WIA regulations apply. All big-game hunting regulations apply. Go to: **cpw.state.co.us/wia**

Fishers Peak State Park hunting opportunities

Hunters will have increased opportunity to hunt deer, elk, bear and lion on Fishers Peak. Access is by permit only. Information about how to apply for these increased opportunities can be found at: **cpw.state.co.us/fishers-peak**

Shed Antler Collection Closure

- **West of I-25, public lands:** Collection and possession of antlers or horns on **public lands** west I-25 from Jan. 1–April 30, is prohibited. The public lands west of I-25 are open to collection and possession of shed antlers or horns May 1–Dec. 31 **only**, except in GMUs 54, 55, 66, 67 and 551, where collecting antlers or horns is further restricted May 1–May 15 between legal sunset and 10 a.m.
- **West of I-25, private lands:** On **private lands** west of I-25, any person may, *with lawful access*, collect shed antlers or horns at any time.
- **East of I-25, public and private lands:** On **any lands** east of I-25, any person may, *with lawful access*, collect shed antlers or horns at any time.

Note: Public land management agencies may have additional restrictions on use of public lands and removal of shed antlers. Refer to land manager restrictions prior to shed hunting.

Ranching for Wildlife (RFW)

Public Ranching for Wildlife licenses are available only to Colorado residents by draw. Licenses are valid only for the season and ranch specified. RFW landowners must provide free access to hunters who draw a public license for their ranch. By applying for a RFW license, hunters allow CPW to provide applicant information to the ranch. Hunting rules differ for each ranch. Read ranch rules before applying: **cpw.state.co.us/rfw**

Outreach Licenses: Youth, Novice Adults & Disabled Veterans

Outreach licenses for youth ages 12–17 are offered to qualified organizations that teach youth participants about hunting techniques, hunting ethics and wildlife management. Outreach licenses for novice adults are offered to qualified organizations sponsoring educational, novice adult or youth hunting activities. Outreach licenses for disabled veterans are offered to honorably-discharged veterans with service-connected permanant disabilities.

Outreach licenses for youth are offered on a first-come, first-served basis on private lands for youth hunters ages 12–17. Organizations and youth hunters can learn more by emailing **hunteroutreach@state.co.us**.

Outreach licenses for novice adults are offered on a first-come, first-served basis on private lands for novice adult hunters who are 18 and older, and who have never purchased a big-game license, have not purchased a big-game license in the last five years, or who have only purchased a big-game license in the current or previous year. Organizations and novice adult hunters can learn more by emailing **hunteroutreach@state.co.us**.

Outreach licenses for disabled veterans are offered on a first-come, first-served basis. Organizations and disabled veterans can learn more by emailing **hunteroutreach@state.co.us**.

Dream Hunt Licenses

Deer, elk, pronghorn, mountain lion and bear licenses are available to hunters ages 12–21 with a terminal illness or life-threatening disease or injury.

Requested dates for hunting events must occur between Aug. 15 and Jan. 31 each year. Dream Hunt licenses may not be issued in game management units with at least one hunt code requiring 10 or more resident preference points to draw, except on private land.

Before a license is issued, sponsoring organizations must obtain written permission from the landowner to hunt on private lands. Sponsoring organizations must request licenses in writing and document the life-threatening or terminal condition, hunting experience, logistical considerations, hunt location and dates. Email **hunteroutreach@state.co.us** to learn more about the program and request application forms.

Guides & Outfitters

Guides and outfitters must be registered, bonded and insured in Colorado. They also need permits to operate on public lands and must register with the Office of Outfitter Registration, 1560 Broadway, Suite 1340, Denver, CO 80202; 303-894-7800; or **dpo.colorado.gov/outfitters**.

Legal, legitimate outfitters operate around the state and can provide invaluable resources for your hunting trip. Verify an outfitter's registration by contacting the above office or the Colorado Outfitters Association online: **coloradooutfitters.org**

Know Before you Go!

Hunter Orange & Pink

Hunters must wear at least 500 square inches of solid fluorescent orange or pink material and a fluorescent orange or pink hat, visible from all angles, while hunting deer, elk, pronghorn, moose or bear with any firearm license. **Archery deer, elk, moose and bear hunters are encouraged, though not required, to wear hunter orange or pink during the overlapping archery and muzzleloader seasons to help address safety concerns.** *See page 15 for more details.*

Hunter Education Card

Your hunter education card must be carried while hunting, unless it is verified and your license is marked with a "V." To get your hunter education card verified, take your hunter education card to a CPW office or state park.

Carcass Tags

Be sure to sign and detach your carcass tag from your hunting license directly **after** you harvest your animal, and make sure you attach it to your take properly. *See page 16 for all the information you need on carcass tags.*

Off-Highway Vehicles (OHVs)

All off-highway vehicles operated in Colorado on public lands or traveling on an OHV-designated route must have a valid Colorado OHV registration or a Colorado OHV permit (except on private property).

Registrations/permits are $26.25, valid April 1–March 31. OHV permits *(applicable for nonresidents and street-legal/plated vehicles)* are available online at **cpw.state.co.us/OHV**, at CPW locations and sales agents. Questions, call 303-297-1192. Renewal registrations are available online and at CPW locations. New registrations and transfers must be done in person or by mail. Visit **cpw.state.co.us** for details.

Contact each public land management agency for their current motor vehicle-use rules, regulations, agency maps and game retrieval specifications and hours. Most areas do not allow off-trail game retrieval with any motorized vehicle. If you witness or observe a violation of OHV misuse on public lands, please report it to any law enforcement officer in that area.

E-bikes

E-bike users are responsible for knowing and following all applicable local, state, and federal laws when operating electric bicycles. Please contact the appropriate land management agency in which you will be riding if you do not know or are uncertain about the laws in the area.

Mark Your Harvest Site with Your GPS

Hunters who have GPS units are encouraged to mark the location of their harvest in the field. **This is especially important for hunters who harvest a moose or bear, as these species require mandatory inspections.** *See pages 58 (moose), 63 (bear) and page 13.* During mandatory inspections, hunters will be instructed to give a location of their harvest. Having GPS coordinates makes reporting simple and precise. Use your GPS to set a waypoint where you harvest an animal, and save the UTM or longitude and latitude coordinates. Bring that information to record on the check report form during harvest inspections.

Hunters Using Horses

If you are bringing a horse into Colorado from out of state, you must contact a veterinarian to get a Certificate of Health Inspection no more than 30 days before. Horses need a Coggins blood test for equine infectious anemia within a year before coming to Colorado. Call the Colorado State Veterinarian's office, 303-869-9130. Residents: Horses may require brand inspection before transportation. Call the brand inspector: 303-869-9160

Ear Tags, Radio Collars

If you shoot a big-game animal with a collar or ear tag, **do not cut the tag or collar**, report the number, color, harvest location and date to CPW, and **return the radio collars**.

Legal Big-Game Hunting Hours

Legal hunting hours for big game are one-half hour before sunrise to one-half hour after sunset, unless specifically restricted. Go to **gml.noaa.gov/grad/solcalc** to pinpoint the sunrise/sunset time for your hunting location.

How to Help Out CPW

Hunter Surveys Help Assess Harvest

CPW conducts big-game harvest surveys each year to estimate harvest, hunter numbers and recreation days. Deer, elk and pronghorn hunters may receive a phone call or email, asking to take part in a survey. This includes questions such as: where you hunted, if you harvested an animal and if you saw overcrowding from other hunters.

Only randomly selected hunters can participate. Participation is not required, but responding (even if you didn't hunt or harvest) is an important part of setting future seasons and license numbers. If contacted, you can take the survey online at **colobgharvest.com**, or call the toll-free phone number 1-855-924-4278. The survey runs 24 hours daily, Oct. through mid-Feb. See the CPW website for details: **cpw.state.co.us**

Mandatory Inspections & Reports for Moose & Bear

Moose: Hunters must **personally present** the head and lower jaw of antlered moose with antlers attached, and either the head and lower jaw **or** an incisor of antlerless moose to a CPW office *(listed on inside front cover)* during normal business hours within five working days of harvest for a mandatory inspection. The inspection will include a mandatory report and lower incisor extraction. Heads must be unfrozen.

Additionally, all moose license holders must complete and return a mandatory report provided by CPW within 30 days after their hunting season ends. **Anyone who does not complete and return it, including those who were unsuccessful or did not hunt, will not be eligible for a future moose license or point.** *See "Mandatory Moose Inspections," page 58.*

Bear: Hunters must **personally present** their bear head and hide to any CPW office *(listed on inside front cover)* during normal business hours within five working days of harvest for a mandatory inspection. The inspection will include a mandatory report, sealing and premolar tooth extraction. **Heads and hides must be unfrozen.** *See "Mandatory Bear Inspections & Seals," page 63, for more.*

Turn in Poachers (TIPs) Program

The TIPs program awards licenses and preference points to eligible persons that report the illegal take, possession or willful destruction of big game or turkey that results in a person being charged for the illegal take, possession or willful destruction of big game or turkey. Advise the charging officer of your interest in a TIPs award. In order to be eligible for the license or point rewards, the reporting party must be willing to testify. Go to **cpw.state.co.us/tips** for the criteria to qualify for a preference point or license, or contact CPW for details at 303-297-1192.

Chronic Wasting Disease (CWD)

1

What is it?

Chronic wasting disease (CWD) is a fatal neurological disease that attacks the brains of deer, elk and moose. It causes animals to become emaciated, display abnormal behavior and eventually die. Infected animals often show no signs of illness.

2

Where is it?

CWD has been found in several regions in Colorado, as well as other states and provinces. For deer, infection rates tend to be highest in prime-aged mature bucks. *See the CWD prevalence maps for deer and elk on pages 21 and 37.*

3

Mandatory testing 2026

In 2026, CPW will require mandatory submission of CWD test samples (heads) from New **all elk** harvested during rifle seasons from specific hunt codes to better evaluate the prevalence of CWD in herds. New **There will be no mandatory CWD testing for harvested deer in the 2026 seasons.** There will be no charge for mandatory testing. **Not all hunt codes in a unit were selected for mandatory CWD testing.** *Find the hunt codes selected for mandatory testing on pages 41–52.*

4

Voluntary CWD testing

If a hunter is not selected for mandatory testing but wants to know whether their harvested deer or elk has CWD, they can submit their animal's head and pay a testing fee of $25. In 2026, testing fees for voluntary submissions will be waived for all moose statewide and all elk from hunt codes that were not selected for mandatory testing but are within the same GMUs that were selected for mandatory testing *(see list of GMUs on page 41)*. Voluntary submissions are accepted annually statewide.

Important Public Health Message

Disease in humans resulting from CWD exposure has not been reported to date. However, public health officials cannot determine there is no risk from eating meat from infected animals. Consequently, officials recommend that people avoid exposure to CWD-infected animals. Please see the Colorado Department of Public Health and Environment website (**cdphe.colorado.gov/animal-related-diseases/prion-diseases**) for the most current recommendations on carcass testing and other preventive measures.

To minimize exposure to CWD and other diseases of potential concern, Colorado Parks and Wildlife (CPW) and state public health officials advise hunters not to shoot, handle or consume any deer, elk or moose that is acting abnormally or appears to be sick. When field-dressing game, wear rubber gloves and minimize the use of a bone saw to cut through the brain or spinal cord (backbone). Minimize contact with brain or spinal cord tissues, eyes, spleen or lymph nodes. Always wash hands and utensils thoroughly after dressing and processing game meat.

Hunting Laws

Remember: Hunters can hunt with archery equipment during any rifle season for the six species listed in this brochure *(see chart below)*. They ***must*** wear fluorescent orange or pink during all rifle seasons except for the limited Sept. rifle bear season.

Legal Methods of Take

1. Centerfire Rifles

a. Must be a minimum of .24 caliber (6 mm); .264 caliber for wild bison.
b. Must have a minimum 16-inch barrel and be at least 26 inches long.
c. If semiautomatic, the capacity of both the magazine and chamber combined cannot exceed six rounds.
d. Must use expanding bullets that weigh a minimum of 70 grains for deer, pronghorn and bear, 85 grains for elk and moose, and have an impact energy (at 100 yards) of 1,000 ft.-pounds as rated by manufacturer. Minimum 140 grains for wild bison.
e. It is illegal to hunt game birds, small-game mammals or furbearers with a centerfire rifle larger than .23 caliber during regular rifle deer and elk seasons west of I-25, without an unfilled deer or elk license for the season. A small-game, furbearer or unfilled big-game license is required.

Note: **Smart rifles** are prohibited, including any firearm equipped with a target tracking system, electronically controlled, assisted or computer-linked trigger or a ballistics computer. Any firearm equipped with a scope containing a ballistic computer or target tracking system is considered to be a smart rifle.

Note: **Fully automatic rifles** are prohibited.

2. Muzzleloading Rifles & Smoothbore Muskets

a. Only legal muzzleloaders allowed in muzzleloading seasons.
b. In-line muzzleloaders are legal.
c. Must be a single barrel that fires a single round ball or conical projectile.
d. To hunt deer, pronghorn or bear, conical bullets must be a minimum of .40 caliber, and round-ball bullets must be a minimum of .50 caliber.
e. To hunt elk or moose, conical bullets must be a minimum of .50 caliber, and round-ball bullets must be a minimum of .54 caliber.
f. From .40 caliber to .50 caliber, bullets must weigh a minimum of 170 grains.
g. If greater than .50 caliber, bullets must weigh a minimum of 210 grains.
h. Shotshell primers and B.O.R. Lock MZ System bullets are legal.
i. Pelletized powder systems are prohibited during muzzleloading seasons.
j. Cannot be loaded from the breech during muzzleloading seasons.
k. Only open or iron sights allowed in muzzleloading seasons. Fiber optics and fluorescent paint incorporated into or on open or iron sights are legal. Scopes or any sighting device using artificial light, batteries and electronic gear are prohibited during muzzleloading seasons.
l. Sabots are prohibited during muzzleloading seasons. Cloth patches are not sabots.
m. Smokeless powder is prohibited in muzzleloading seasons. Black powder and black-powder substitutes are legal.
n. Electronic or battery-powered devices cannot be incorporated into or attached to muzzleloader during muzzleloading seasons.

3. Shotguns

a. Must be minimum 20 gauge and fire a single slug. Use of buckshot is illegal for hunting big game.
b. Barrel must be a minimum of 18 inches long. Minimum overall length must be 26 inches.

4. Hand-Held Bows

A long bow, recurve bow or compound bow on which the string is not drawn mechanically or held mechanically under tension. String or mechanical releases are legal if they are hand-drawn or hand-held with no other attachments or connections to bow (except bowstring).

a. Hand-held bows, including compound bows, must use arrows with a broadhead having a minimum of 7/8-inch outside diameter (width) and a minimum of two steel cutting edges. Each cutting edge must be in same plane for entire length of cutting surface.
b. Only legal, hand-held bows are allowed during archery seasons.
c. Minimum draw weight of 35 pounds. No let-off maximum required.
d. No part of a bow's riser (handle) or track, trough, channel, arrow rest or other device (excluding cables and bowstring) that attaches to riser can contact, support and/or guide the arrow from a point rearward of the bow's brace height behind the undrawn string.
e. Bows can propel only a single arrow at a time. No mechanisms for automatically loading arrows allowed.
f. Scopes and electronic or battery-powered devices cannot be incorporated into or attached to bow or arrow, with the exception of lighted nocks on arrows. Recording devices such as cameras or video recorders attached to bows may be used as long as they do not cast light toward the target or aid in range finding, sighting or shooting the bow.
g. Hydraulic or pneumatic technology cannot be used to derive or store energy to propel arrows. Explosive arrows are prohibited.

Legal Firearms & Bows

Different weapons can be used for big-game hunts during different seasons. The chart below shows which method of take may be used in each season. **Note that for the rifle and associated methods seasons, "associated methods" are shotguns, handguns, muzzleloaders that are a minimum of .40 caliber (.50 caliber for elk and moose), hand-held bows and crossbows.**

5. Crossbows

a. Draw weight must be a minimum of 125 pounds.
b. Draw length must be a minimum of 14 inches from front of bow to nocking point of drawstring.
c. Positive mechanical safety device required.
d. Bolt must be a minimum of 16 inches long, have a broadhead that is a minimum of 7/8-inch wide and with a minimum of two steel cutting edges. Each cutting edge must be in the same plane for entire length of cutting surface.
e. Illegal during archery seasons.

6. Handguns

a. Barrel must be a minimum of 4 inches long.
b. Must use a minimum .24-caliber (6 mm) in diameter expanding bullet.
c. Shoulder stocks or attachments prohibited.
d. Must use a cartridge or load that produces minimum energy of 550-ft.-pounds at 50 yards as rated by manufacturer.

7. Calls

a. Mechanical calls are legal, including mouth calls.
b. Electronic calls, such as amplified audio players or smartphone apps, are prohibited for big-game hunting.

Illegal Activities

Find complete regulations online: cpw.state.co.us/rules-and-regulations

The Top 10 Most Common Hunting Violations in Colorado:

1. **Trespassing.** Going onto private lands without getting permission first while hunting, fishing or performing any related activity is illegal. Private lands do not need to be posted or fenced, so it can be difficult to see boundaries. **Violators may be suspended for up to five years for trespassing.** This includes State Land Board properties not leased and signed by CPW, unless permission is given by the lessee.

   You must have permission from the landowner to enter private land to retrieve a harvested animal. First, you should try to contact the landowner on your own. If that effort fails, call the local CPW office *(inside front cover)*.

2. **Failing to make a reasonable attempt to track and kill animals you shoot at, wound or may have wounded.** Including immediately going to the location where wildlife was located when it was fired upon. Remember that it's against the law to pursue wounded wildlife that goes on private property without first obtaining permission from the landowner or person in charge. You must still attempt to gain permission to enter and locate the animal.

3. **Failing to reasonably dress, care for, prepare and provide edible wildlife meat for human consumption.** At a minimum, the four quarters, tenderloins and backstraps are edible meat. Internal organs are not considered edible meat.

4. **Hunting without a proper license.** Anyone who hunts wildlife must have in their possession the appropriate and valid Colorado resident or nonresident license that includes their Customer Identification (CID) number, and must only harvest wildlife of the species and type indicated on the license.

5. **Mistakenly killing wildlife.** You must field dress and report big-game animals unintentionally killed, not due to carelessness or negligence, to a CPW office *(inside front cover)* (or the local Sheriff's office after CPW regular hours) before continuing to hunt and as soon as practical. CPW evaluates the circumstances, including shots fired, species and number of animals present, firearms, ammunition, etc. Big game accidentally killed does not count toward annual bag limits.

6. **Not showing evidence of sex.** Be sure to leave evidence of sex naturally attached to the carcass. Evidence includes the head, the vulva or the scrotum. *See "Evidence of Sex" on page 16 for more details.*

7. **Carrying loaded firearms while in or on any motor vehicle.** Firearms must be unloaded in the chamber. Muzzleloading rifles are considered unloaded if the percussion cap or shotshell primer is removed, or if the powder is removed from flashpan. It is illegal for anyone to have a loaded electronic-ignition muzzleloader in or on a motor vehicle; the chamber must be unloaded or the battery must be disconnected and removed from its compartment. **Most accidents involving firearms occur in or near vehicles.**

8. **Carrying loaded firearms (except handguns) on an OHV during deer, elk, pronghorn and bear seasons.** Firearms (except handguns) must be unloaded in the chamber and magazine. Firearms (except handguns) and bows must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides are prohibited. *This does not apply to landowners or their agents who carry a firearm on an OHV to take depredating wildlife on property they own or lease.*

9. **Improperly voiding and/or attaching a carcass tag.** You must sign and detach the carcass tag from your hunting license immediately following taking your animal. It is illegal to sign or tear the carcass tag before harvest. The tag must also be attached to the animal properly. *See "Carcass Tags," page 16.*

10. **Shooting from or across a public road with a firearm, bow or crossbow.** People firing a bow, rifle, handgun or shotgun with a single slug must be at least 50 feet from the centerline of the road.

Felony Offenses:

If convicted of a felony violation, you can face a lifetime license suspension:

- To kill and abandon big-game wildlife. It is required to prepare the edible portions of the animal for human consumption. It is illegal to only remove the hide and/or head from harvested bears..
- To sell, buy or offer to sell or buy big game.
- To solicit someone to illegally kill big game for commercial gain or provide outfitting services without required registration.

Hunter Orange & Pink

Hunters must wear fluorescent orange or pink during certain hunting seasons. The law requires hunters to wear **at least 500 square inches of solid daylight fluorescent orange or fluorescent pink material** on an outer garment above the waist while hunting deer, elk, pronghorn, moose or bear with any firearm license. **A fluorescent orange or pink hat or head covering, visible from all directions, is also required.** *Camouflage orange or pink does not qualify.* Mesh garments are legal but not recommended. **This includes all muzzleloader hunters. It also includes archery hunters who hunt during rifle seasons.**

Archers hunting during the limited September rifle bear season, archers with an archery bear, deer, elk, pronghorn or moose license, and archers licensed for private-land hunting through the Ranching for Wildlife program do not have to wear fluorescent orange or pink, but should consider wearing it to increase safety while in the field. Auction- and raffle-license holders do not have to wear orange or pink when hunting with archery equipment when no rifle seasons are open. If using a ground blind or pop-up blind, hunters should display orange or pink that is visible from all directions on the outside of the blind.

CPW recommends wearing fluorescent orange or pink clothes in the field, even if not hunting. Archery deer, elk, moose and bear hunters are encouraged to wear hunter orange or pink during the overlapping archery and muzzleloader seasons to help address safety concerns. Wearing orange or pink is for hunter safety, as big-game animals don't see these colors like we do; movement, sound and smell are what give hunters away.

It is also against the law to:

- Hunt carelessly or discharge a firearm or release an arrow disregarding human life or property.
- Hunt outside of legal hunting hours (one-half hour before sunrise to one-half hour after sunset).
- Interfere with hunters. This includes distracting or frightening prey; causing prey to flee by using light or noise; chasing prey on foot or by vehicle; throwing objects; making movements; harassing hunters by using threats or actions; erecting barriers to deny access to hunting areas; intentionally injecting yourself into the line of fire. Violators face prosecution and may have to pay victim's damages and court costs.
- Hunt under the influence of alcohol or controlled substances.
- Operate or ride a snowmobile with a firearm unless it's completely unloaded and cased, or with a bow unless it's unstrung or cased. Compound bows must be cased, not unstrung.
- Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.
- Use aircraft to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to find wildlife.
- For two or more people on the ground, in a vehicle or vessel to use electronic devices to communicate information that violates any wildlife law or regulation.
- Use computer-assisted remote technology (any device, equipment or software used to remotely control a weapon, including the Internet) to hunt or fish. Hunters and anglers must be physically present in the immediate vicinity while hunting/ fishing.
- Use unmanned or remote-control drones to look for, scout or detect wildlife.
- Use live-action game cameras to locate, surveil, or aid/assist in locating/surveiling game wildlife in order to take/try to take wildlife during the same or following day. "Live-action game camera" is any device capable of recording and transmitting photographic/video data *wirelessly* to a remote device (such as a computer or smart phone). This doesn't include game cameras that record photographic/video data and store such data for later use, *as long as the device cannot transmit data wirelessly*.
- Use artificial light as an aid in hunting.
- Use poison, drugs or explosives to hunt or harass wildlife.
- Fail to extinguish a campfire completely.
- Party hunt (i.e. harvest someone else's game or let someone harvest yours).
- Use dogs. A leashed dog may be used as an aid in locating/recovering wounded big-game animals, except for black bears, with purchase of annual tracking permit.
- Hunt big game over bait, whether or not the person hunting personally placed the bait. Bait means to put, expose, distribute or scatter salt, minerals, grain, animal parts or other food as an attraction for big game. Salt or mineral blocks used for normal agricultural purposes are not considered bait. Scent sticks that smell like food are illegal for bears.
- Post, sign or indicate that public lands, not under an exclusive-control lease, are private.
- Establish a permanent structure or plant vegetation on CPW-owned land or waters. Only portable blinds and tree stands for big-game hunting can be erected on CPW land, and no more than 30 days prior to the season during which they will be used. No nails can be driven into trees. Man-made materials for blinds or stands must be removed within 10 days after the season they are used in ends. The owner's CID number and dates of use must be visible on outside of portable blinds or underside of tree stands. Placement of blinds or stands does not reserve them for personal use: They may be used on first-come, first-served basis.

License Restrictions

Felony Offenses & Weapons

Colorado and federal laws prohibit people convicted of certain crimes, including felony offenses and domestic violence-related offenses, from possessing weapons even for hunting. If you've been convicted of a crime, check with the appropriate Colorado and federal law enforcement authority to find out how these laws apply to you.

Child Support Delinquency

State and Federal law require a Social Security number to buy a license. It is not displayed on the license but is provided, if requested, to Child Support Enforcement authorities. Hunting and fishing licenses are not issued to those suspended for noncompliance with child support. Any current licenses become invalid if held by an individual who is deemed noncompliant by Child Support Enforcement.

Bag Limits

1. **Bag Limits, License Purchases:** The bag and possession limit is the total number of animals you can legally take of each species. Big game taken in Jan. and Feb. seasons set as part of the previous license year's seasons fall under the previous year's bag and possession limit. When a license allows hunting in more than one unit, the unit in the hunt code determines the maximum number of licenses a hunter can obtain per year for that species.
2. **Moose:** The lifetime bag limit for bull moose is one, except for auction, raffle, New **a rewards program license** or special management licenses.

Carcass Tags

- You must attach a carcass tag to animals you harvest per instructions on tag. Tags must be signed, dated and detached from the license immediately upon harvest. *See image at right for where to sign.*
- The carcass tag should be attached to the carcass (not to detached hides, horns or antlers carried separately) immediately prior to and during transportation in any vehicle, or while in camp or at a residence or other place of storage. If carcass is in pieces, it is recommended to attach carcass tag to the piece with evidence of sex naturally attached. Tags must stay on until meat is processed and remain with meat until consumed.
- The carcass tag, when dated, signed and attached to the species lawfully taken or killed and lawfully in possession, authorizes the possession, use, storage, and transportation of the carcass, or any part thereof.
- **It is illegal to sign the tag before harvesting an animal.**
- Do not remove any parts of a license except the carcass tag **only after harvest**. Doing so voids the license and you must buy a duplicate. **The upper part of the license must be kept by whoever harvested the animal.**
- If you lose, accidentally destroy or detach the tag, you must buy a duplicate from a CPW office before hunting and prove the loss, detachment or destruction was accidental.
- If you have a nonresident big game/fishing combo license, the fishing license is valid after the carcass tag is detached, as long as the rest of the license is intact.

*Detach and sign the carcass tag only **after** harvesting your animal. You must then attach the tag to the carcass (not to the head or antlers).*

Evidence of Sex

1. It is illegal to have or transport a big-game carcass without evidence of sex naturally attached. It is illegal to have only detached evidence of sex accompany the carcass. If you submit a deer or elk head for CWD testing, leave evidence of sex on the carcass.
2. **Evidence of Sex Is:**
   - **a. Buck/bull:** Head with antlers or horns attached to carcass; or testicle, scrotum or penis attached to carcass.
   - **b. Doe/cow:** Head, udder (mammary) or vulva attached to carcass.
   - **c. Black bear:** Male: testicles or penis. Female: vulva.
3. Heads detached from carcass are not adequate evidence of sex.
4. If a carcass is cut in pieces or deboned, evidence of sex needs to be attached to a quarter or another major part of carcass. All portions must be transported together.
5. Evidence of sex is not required if a donation certificate accompanies less than 20 pounds of meat or after the carcass is cut into processed meat, wrapped and frozen, or stored at licensee's home.

Tip: If you shoot a young buck or bull with antlers less than 5 inches long, it can be considered "antlerless." But what do you do about evidence of sex?

- Leave the head and antlers naturally attached to a portion of the carcass to prove it meets the requirement.
- Leave the testicles attached to a portion of the carcass, and then you can detach the head or skull plate and carry it out with the antlers intact.

Transporting Game

1. You can be cited for illegally transporting game animals even if someone else made an error. When you transport carcasses or processed meat:
   - **a.** Carcasses must be properly tagged. You must meet evidence of sex and antler-point requirements. Hunters must keep their own license.
   - **b.** Carcass tags or donation certificates *(for 20 pounds of meat or less)* must accompany processed game meat.
2. Carcass tags must be securely attached to carcass, not antlers or horns, or must accompany processed meat.
3. To ship by commercial carrier, the license, photocopy of license, carcass tag or donation certificate must accompany carcass or processed meat.
4. Hunters transporting game through national parks or monuments must follow federal regulations. Contact the National Park Service.
5. Nonresident hunters should follow their home state regulations in place for transporting harvested deer, elk or moose back from a state known to have CWD.
6. See page 36 of the "Elk" section for antler-point restrictions.

Donating Game Meat

Donation certificates are required for all game-meat donations. Certificates must show names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date of kill; donor's signature. The certificate can be a simple note; no special form required. It must stay with the meat until completely consumed. Donor and recipient are subject to bag and possession limits. ***Note:*** *A "like license" is a license for exactly the same species, sex, season and method of take as a donor's license.*

1. You can donate to someone **with** or **without** a like license:
   - **a.** any amount of processed and packaged game meat, anywhere.
2. You can donate to someone **without** a like license:
   - **a.** up to 20 pounds of unprocessed meat, anywhere.
   - **b.** more than 20 pounds of unprocessed meat, only at recipient's home.
3. You can donate to someone **with** a like license:
   - **a.** up to 20 pounds of unprocessed meat, anywhere.
   - **b.** more than 20 pounds of unprocessed meat, anywhere, only if:
     - **1)** recipient's license is unfilled, and
     - **2)** recipient's carcass tag is on the meat. This establishes recipient's claim to his/her portion of meat and voids his/her license. Donor's tag must remain with his/her portion.
   - **c.** the entire carcass, if:
     - **1)** recipient's license is unfilled, and
     - **2)** donor's carcass tag and recipient's like-license carcass tag is on the meat, voiding both licenses.

Youth Hunting

Deer, elk, pronghorn and bear opportunities for hunters ages 12–17

Big-Game Hunting Rules for Youth

Youth **ages 12–17** who meet hunter education requirements *(see page 6)* have the opportunity to hunt big game in several ways: through the draw(s) or over the counter for regular seasons for deer, elk, pronghorn and bear; during the youth extended season for female deer, elk or pronghorn; and through youth outreach licenses.

Age Requirements:

- Youth ages 12–17 are offered reduced-cost licenses for deer, elk, pronghorn and bear.
- At age 11, youth may buy or apply for a license if they will turn 12 before the end of season on the license. Youth cannot hunt with the license until they turn 12.
- Youth who get their original license when they are 17 and later turn 18 may participate in the extended season hunt. Youth hunting rules still apply, even though the hunter is 18 while hunting.
- Youth must be 12–17 at time of purchase to buy a youth unlimited or leftover license.
- In order to receive a reduced-cost license and/or youth preference in the draw, youth must be 17 or younger at the time of application.
- Youth hunters 12–15 years old *must be* accompanied by a mentor who is 18 or older and also meets hunter education requirements. Youth and mentors must be able to see and hear each other while hunting. Mentors can hunt only if they have a current license valid for the same units and dates the youth will be hunting.

The Draw(s): Youth Draw Preference

- A minimum of 15 percent of limited licenses for doe pronghorn, antlerless and either-sex deer, and antlerless elk for each GMU will be available for youth ages 12–17 who meet hunter education requirements *(see page 6)*.

  These licenses are available by draw for all seasons and methods of take, including early and late rifle seasons. Licenses not drawn by youth are available to the public. *The Air Force Academy unit and Ranching for Wildlife hunts are excluded from this.*
- Group applications are not accepted.
- GMUs 54, 55, 66, 67 and 551 have youth preference set at 50 percent for all antlerless deer licenses in those GMUs, if applicable.
- A new private-land-only antlerless white tailed deer hunt code D-F-006-P5-R will have a youth preference set at 50%.
- If youth enter more than one hunt code on their application, **all hunt codes** must be youth-preference-eligible hunt codes (doe pronghorn, antlerless or either-sex deer, and antlerless elk) and/or youth-only hunt codes (such as D-F-043-K2-R or E-E-851-K2-R).
- Youth receive preference on **all hunt codes** available in the secondary draw.

Youth Extended Season

Youth may pursue antlerless deer or elk during any rifle season open to antlerless hunts in valid GMUs *(see page 18)*, as well as hunt pronghorn does during Dec. and the season that runs until Jan. 31, 2027, in GMUs 9 and 191 *(see page 19)*.

How to participate:

- Youth must have an unfilled limited antlerless deer, antlerless elk or either-sex elk license after their original season ends. Then they may participate in any open rifle antlerless deer or elk hunt that begins after the last day of the season listed on their original license. *(Does not include Ranching for Wildlife properties.)* See pronghorn rules on page 19.

  Youth may hunt in the areas specified on the maps *(pages 18–19)*, and must hunt the same species listed on their original license.
- Youth can now easily convert their unfilled limited either-sex elk or either-sex pronghorn license (where the season has ended) to a female (antlerless) license through the new online Youth Extended Hunt License Conversion Request form. Find the form here: **cpw.state.co.us/youth-license-conversion-form**.

  Youth can also take their original license to a CPW location to have it converted to an antlerless license before hunting any extended seasons.
- Youth must follow all applicable regulations for any hunts and units they select during the extended season, including season dates and geographic restrictions.
- Antlered licenses, over-the-counter licenses and either-sex plains rifle elk licenses may not be converted for extended youth hunting.

Youth Outreach Licenses

Youth outreach licenses are offered for deer, elk and pronghorn to qualified organizations sponsoring youth hunting activities. Organizations and youth hunters can learn more information at **cpw.state.co.us/youth-hunting**.

Youth Extended Season: Deer & Elk Hunts

1 Choose your species

Youth may hunt antlerless deer or elk in extended seasons. Youth may hunt only the species that is on their original license. "Antlerless" means female deer (does) and elk (cows), as well as young males of both species with antlers less than 5 inches long.

2 Choose when to hunt

If a youth does not fill their original limited antlerless deer, antlerless elk or either-sex elk license (see "Purchasing and Converting Licenses" to the right) — whether it's for archery, muzzleloader or rifle hunting — they may continue to hunt during any of the rifle seasons listed in this brochure, except for Ranching for Wildlife. They must hunt within areas specified on the maps on page 18, and there must be an antlerless hunt going on in the unit and season they wish to hunt.

3 Plan ahead

To hunt deer or elk in the extended season, youth must buy a limited antlerless deer, antlerless elk or either-sex elk license. If they don't fill their tag during the original season, they will be able to continue hunting in certain areas of the state. Look at the maps on page 18 to make sure you purchase the original deer or elk license within the area you intend to hunt during the extended season.

4 Follow the rules

When participating in the extended season, youth **must** follow all the rules of hunting during the rifle season, including wearing blaze orange or pink and using a method of take allowed in rifle season. Youth must also follow all unit restrictions where they choose to hunt in the extended season, including any private-land-only designations and any unit boundary restrictions.

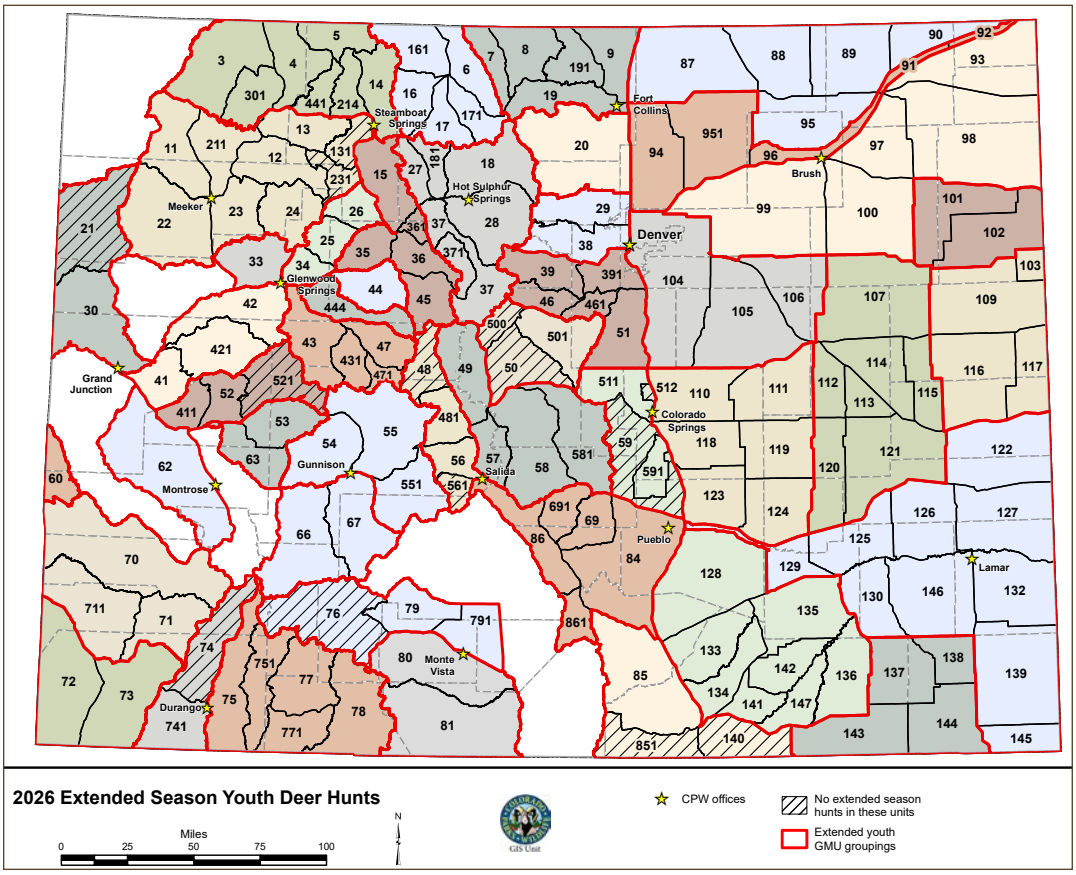
Youth extended season explained online

A complete list of available hunts for the youth extended season and the valid units you can hunt in.

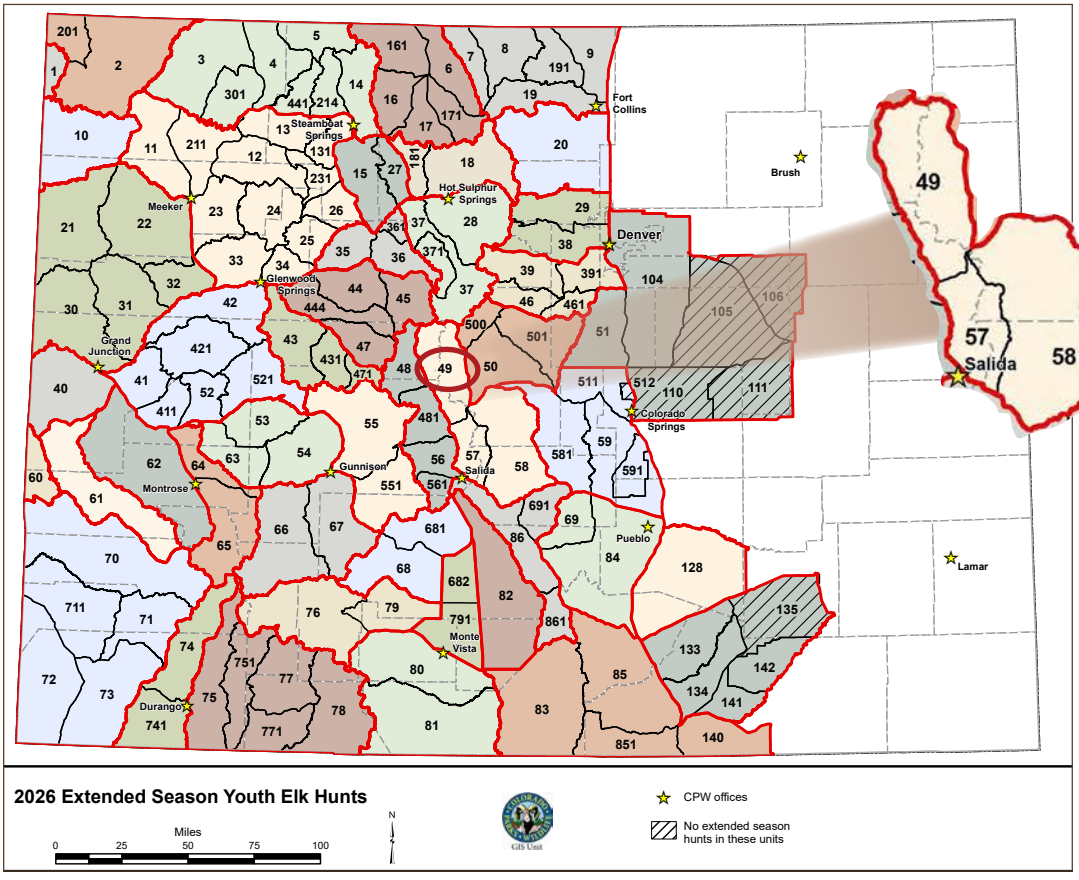
Purchasing & Converting Licenses

- Youth must purchase their original license through the draw or from the leftover license list.
- Unfilled either-sex elk licenses must be converted to an antlerless license if the youth wishes to continue hunting an antlerless animal, either through the online Youth Extended Hunt License Conversion Request form (**cpw.state.co.us/youth-hunting**) or at a CPW office.
- Over-the-counter (OTC) archery licenses, OTC white-tailed licenses, antlered licenses and either-sex plains rifle elk licenses may NOT be converted to participate in the extended season.

Deer Extended Season: Youth



Elk Extended Season: Youth



Where to Hunt Deer & Elk

- Youth may hunt in any area on the map within the red boundary that also contains the unit for which they purchased their original license. *(Units with lines through them and blank, white areas are not open to extended-season hunting.)*
- Youth may only hunt the extended season when an open antlerless rifle hunt is going on in the unit they choose to hunt.
- Unfilled antlered elk and unfilled antlered and either sex deer licenses may not be used to participate in the program. Limited either-sex elk licenses must be converted to antlerless licenses, either through the online Youth Extended Hunt License Conversion Request form (**cpw.state.co.us/youth-hunting**) or at a CPW office, and are only valid to hunt and take antlerless elk after doing so.

For example: *(see elk map at bottom left)*

- An original license is purchased in the draw for a youth to hunt either-sex elk in unit 49 during archery season.
- The youth does not harvest during archery season and converts their unfilled license *(see options above)*.
- The youth, accompanied by a mentor, may continue to hunt during any of the **rifle seasons** listed in this brochure for units 49, 57 or 58, as long as there is an antlerless season in progress in the unit the youth wants to hunt.

  Look at the rifle elk tables in this brochure to find these hunts, or look at the list of acceptable hunts online at **cpw.state.co.us/youth-hunting**.

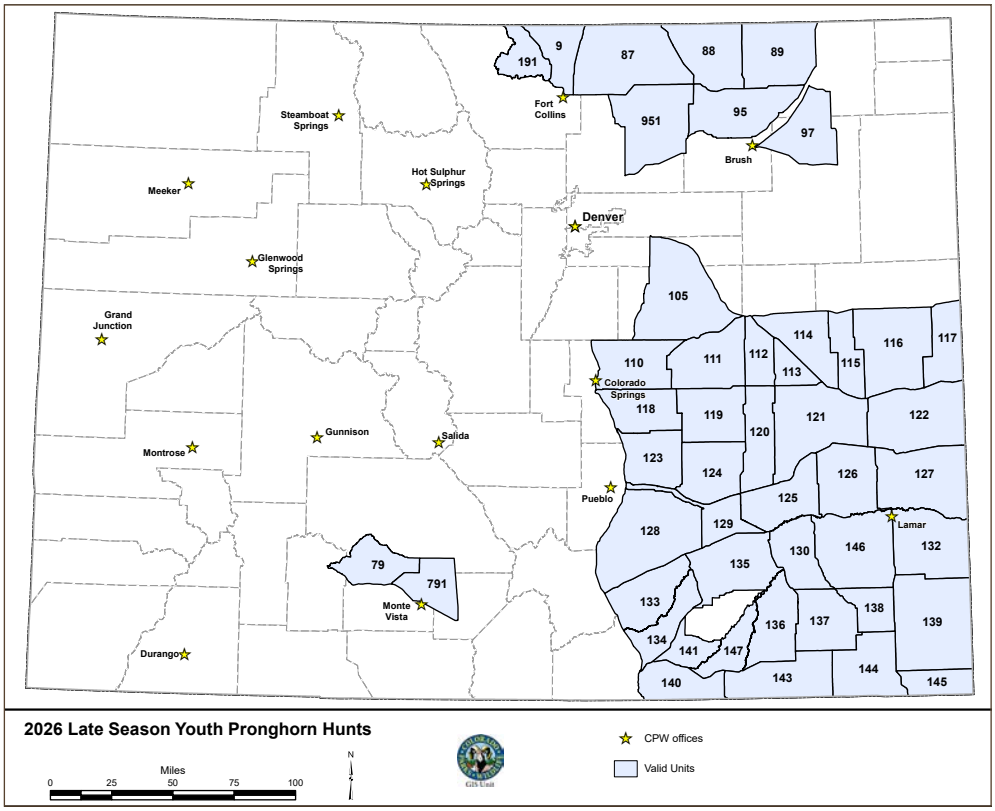
- If the youth wishes to continue hunting in unit 49, they may hunt Oct. 24–Nov. 1, Nov. 7–15 or Nov. 18–22. They may also hunt in units 57 or 58 from Oct. 14–18, Oct. 24–Nov. 1, Nov. 7–15 or Nov. 18–22, or on private land only during the late season, Oct. 1–Jan. 31, 2027.
  Why Oct. 1? The original archery season (Sept. 2–30) must be over before the youth can begin hunting the late rifle season.
- During the extended season, the youth may use any method of take allowed during rifle season. *See page 14.*

Pronghorn Late Season: Youth



Where to Hunt Pronghorn

- Youth must be ages 12–17.
- Youth must have an unfilled limited pronghorn doe or either-sex license for a season anywhere in the state that has ended. If so, then they may participate in any Dec. pronghorn doe season in the state. For 2026, those units are:
  79, 87, 88, 89, 95, 97, 105, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 143, 144, 145, 146, 147, 791 and 951.

  Youth may also hunt through Jan. 31, 2027 in units 9 and 191.
- Youth with an unfilled either-sex pronghorn limited license can either convert it to a doe license through the online Youth Extended Hunt License Conversion Request form (**cpw.state.co.us/youth-hunting**) or at a CPW office before hunting in a Dec. season or the late Jan. season.

  Youth with doe licenses do not need to convert those licenses, the original license is valid for an extended hunt.
- Unfilled pronghorn buck licenses may not be used to participate in this program.
- Youth must comply with all regulations that apply to the Dec. season or the late Jan. season they hunt.

Hybrid Draw — Bear, Deer, Elk, Pronghorn

To expand quality opportunities to big-game hunters, the Colorado Parks and Wildlife Commission offers a "hybrid" drawing for select elk, deer, pronghorn and bear licenses.

The purpose of the draw is to give hunters additional opportunity to draw a license for some of the state's premier deer, elk, pronghorn and bear hunting areas.

Hunters who normally would not have enough preference points to draw these licenses now have a slight chance to draw a small number of the most coveted licenses through this process. Nonresident caps apply.

Hunter Qualifications

Qualified hunters wishing to participate in the hybrid draw must meet the following criteria and choose from the hunt codes listed at right as their first choice on their application.

1. Hunters must have a minimum of five preference points for the species they wish to hunt to participate in the hybrid drawing.
2. Hunters must apply individually; group applications are not accepted.
3. Hunt codes that contain a W are Ranching for Wildlife properties. These hunts are for Colorado residents only.

How It Works

Hunt codes that require 10 or more resident preference points to draw *(based on a rolling three-year average for the previous three limited license draws with a one-year lag)*, up to 20 percent of the available licenses may be issued through a random drawing.

Qualified resident and nonresident hunters who select applicable hunt codes *(listed at right)* and have at least five preference points for that species will automatically enter the hybrid draw.

- These hunt codes must be entered as your first choice on your application.
- Winning applicants in the hybrid draw will be selected randomly.
- Hunters who successfully draw a license in the hybrid draw lose all of their preference points for that species. Unsuccessful applicants will be awarded one point.

* Please be aware that hunt codes with an asterisk (*) had a low number of available licenses in previous years and may not have licenses available for the hybrid draw in 2026.

- **List A & B:** You may purchase **one** List A and **one** List B license per year, **or two** List B licenses per year. These licenses are available through the primary draw, secondary draw, as leftover licenses and over-the-counter as available.
- **List C:** You may purchase as many List C licenses per year that you'd like, in addition to any other licenses you hold. These are available through the primary draw, secondary draw, as leftover licenses and over-the-counter as available.
- **Example:** If you get a List B license in the primary draw, you can get either a List A or List B license in the secondary draw, and multiple List C licenses as leftover or over-the-counter licenses.

Preference Points

To apply for a point, enter **D-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your primary draw application to use another year. You can use your second through fourth choices on the same application to apply for a license. You may only submit one application per species, per draw, per year. **Note that the secondary draw does not gain or use preference points.**

All big-game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, do not have a preference point fee. The application fee, $12.76 Habitat Stamp and qualifying license are nonrefundable. *See page 9.*

Definitions

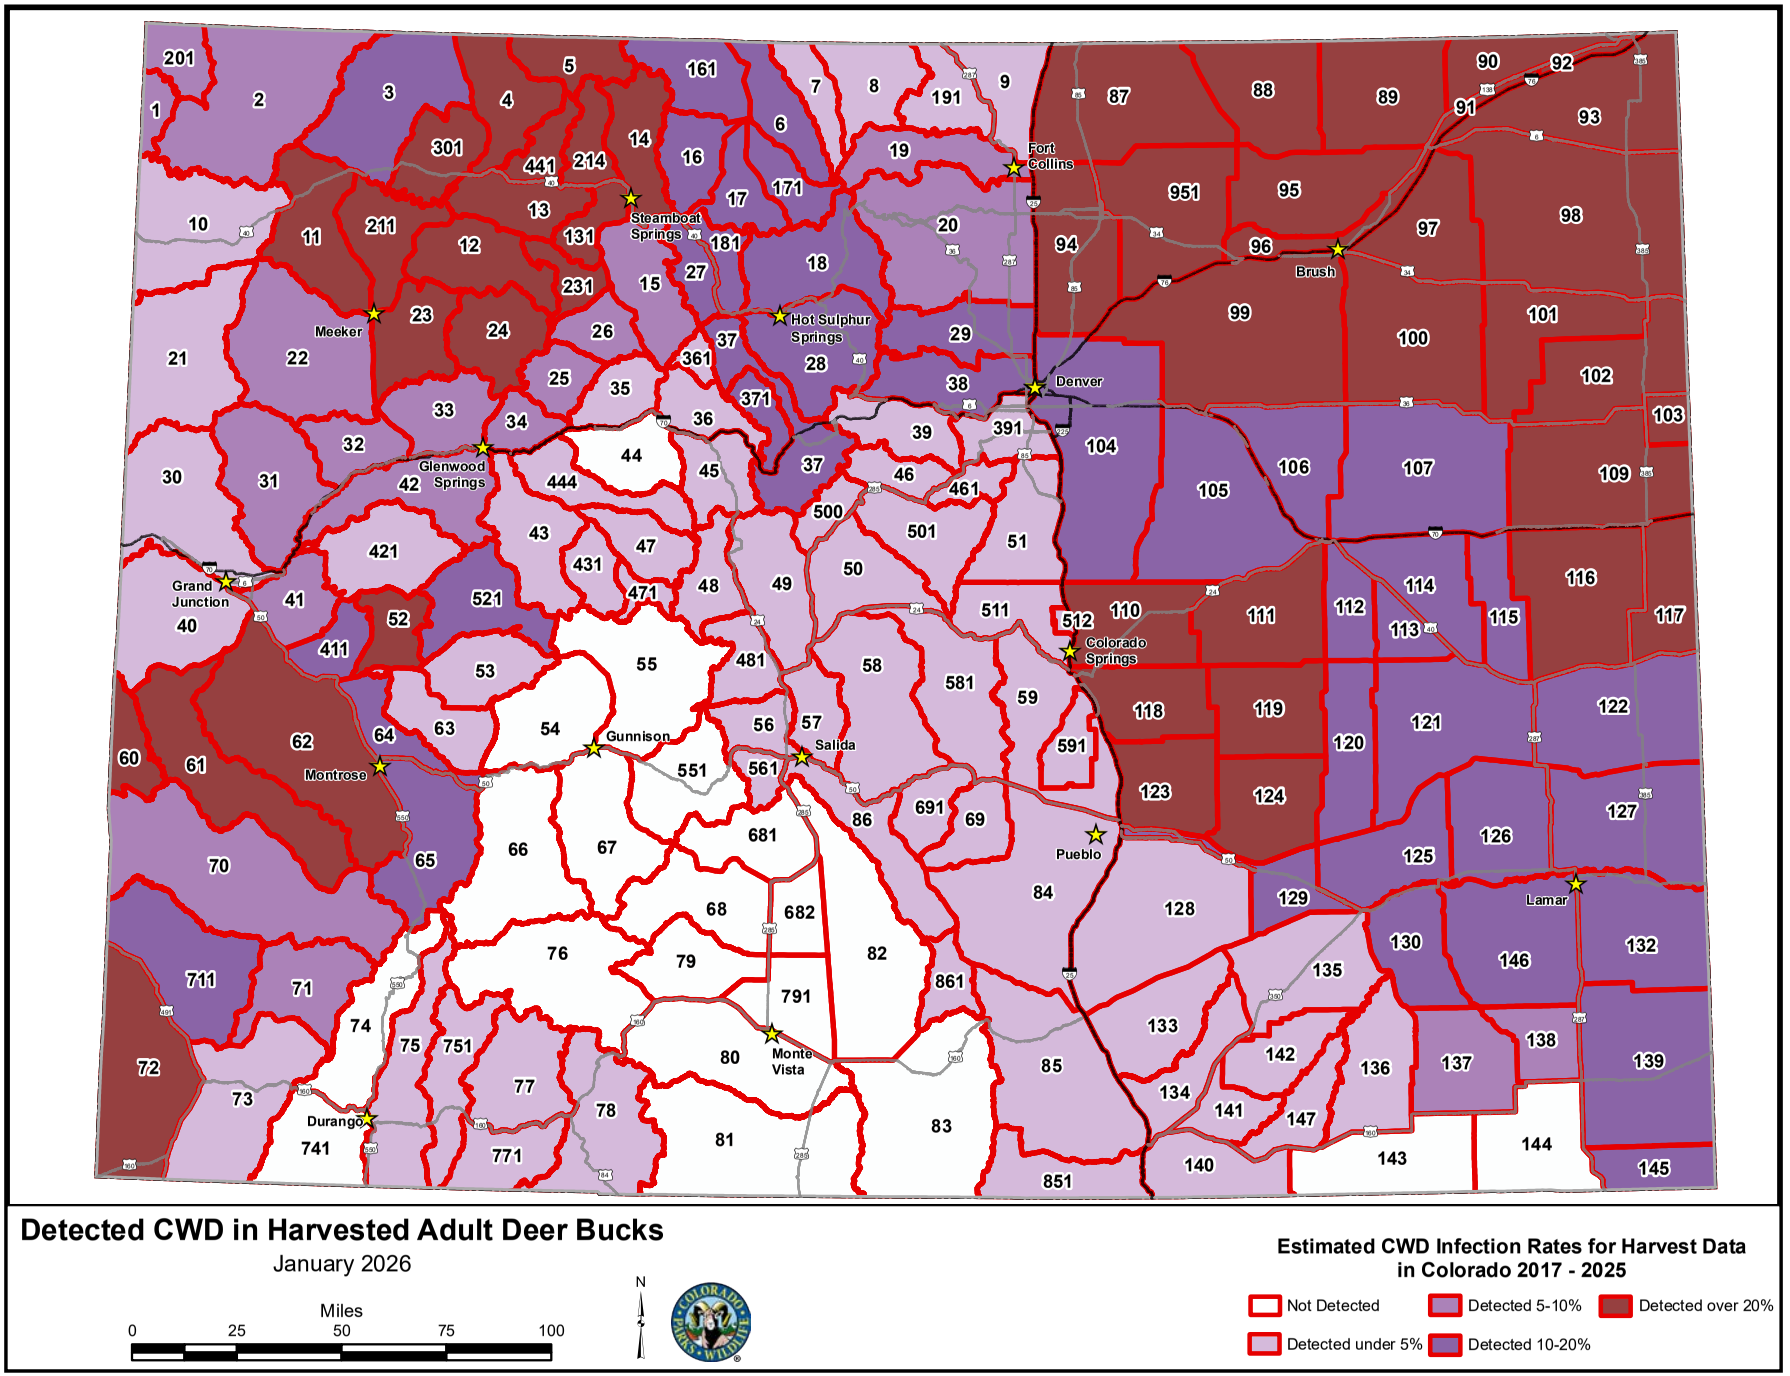
- **Species identification page.** White-tailed and mule deer. *See pages 11 and 33.*
- **Buck (antlered):** A male animal with antlers at least 5 inches long. There are no antler-point restrictions for deer.
- **Doe (antlerless):** A female animal with no antlers. Antlerless can also mean a young male with antlers less than 5 inches.
- **Either sex:** A legal buck or doe.

Table Symbols

- **A plus (+)** in the **sex** column is for hunt codes for which an average of at least six preference points are needed for a Colorado resident to draw that license. This is only an average and does not guarantee a license will be drawn. Now calculated by the number of preference points an adult Colorado resident needed to draw a specific license on average during the previous three limited license draws, with a one-year lag.

Chronic Wasting Disease (CWD) Prevalence Map: Deer

This map shows the prevalence of CWD in adult bucks in Colorado's GMUs. Map boundaries are approximate.



Limited Licenses

Ranching for Wildlife — Limited Licenses

Colorado residents only. Hunting rules differ for every ranch. All legal methods of take are permitted, except when specifically restricted. Read ranch rules at **cpw.state.co.us/rfw** before applying.

Get The Lead Out

Colorado Department of Public Health & Environment and Colorado Parks and Wildlife

Go to cdphe.colorado.gov/lead-health and click "For the public" to see the factsheets on Lead in Harvested Wild Game and Lead in Indoor Shooting and Firing Ranges.

From the field to the table, ensuring your next harvest is safe for your family and nontarget wildlife is important. Health risks due to lead poisoning from consuming game meat are low for most people; however, switching to lead-free ammunition may be an option that's right for you. Science tells us that ingesting lead can cause potential human health problems over time.

Additionally, lead-based ammunition can cause adverse impacts on nontarget wildlife from lead ingestion while scavenging. Hunters themselves are conservationists, maintaining species populations and protecting habitats. By switching to lead-free ammunition, hunters can support wildlife by reducing the risk of lead poisoning to nontarget wildlife such as eagles and other raptors. For more information visit **cpw.state.co.us/lead-free**.

To help reduce human and wildlife health impacts, you can:

1. **Use lead-free shot or bullets.** There are many lead-free options now available.
2. **Hunters who use lead ammunition should choose quality hunting-grade ammunition with a "bonded" or "partition" construction.**
3. **Use careful shot selection.** Bullets that strike the lethal area (heart/lungs) are less likely to fragment than bullets that strike more heavily boned areas.
4. **Bury or pack out your lead-shot gut piles to avoid lead ingestion by non target wildlife.**
5. **Avoid eating game meat from animals harvested with lead bullets if you are pregnant.** Children younger than 6 should also avoid it.

Season Choice Licenses

Hunt all seasons until you fill your deer license!

- Season choice licenses are available to residents and nonresidents for hunting deer in the units specified in the table at right.
- You may use these licenses to hunt in any or all of the seasons in the specified units until your tag is filled: archery, muzzleloader and/or rifle seasons.
- You **must** use the correct method of take and follow the dates for each season. All other season restrictions also apply.

White-Tailed Deer Only

Over-the-Counter Licenses: Late Rifle

What can I expect?

These over-the-counter licenses provide an opportunity to hunt white-tailed deer in a portion of the state where mule deer are the primary species of management interest.

This means there are few white-tailed deer in the area, and hunters can expect to see more mule deer than white-tailed deer when hunting in these GMUs.

Where are whitetails found in this season?

White-tailed deer in these GMUs can be most commonly found along lower-elevation river bottoms.

Hunters should focus on these areas to improve their chances of finding white-tailed deer. Much of the white-tailed deer habitat is located on private lands where permission is required prior to hunting.

What method of take can I use?

The license is valid for any legal method of take. However, because this is a rifle season, hunters are required to follow blaze orange or pink requirements *(see page 15)*, regardless of the type of weapon used.

Some public properties prohibit the use of rifles and/or muzzleloaders. Check property regulations to determine what types of weapons are legal before going afield.

What is the best way to identify a white-tailed deer?

The best way to tell the difference between a white-tailed deer and a mule deer is the tail.

White-tailed deer tails are broad and brown from top to bottom with a white fringe. Mule deer have a white rump patch and tail, with a black tip on the tail.

See chart at right for further comparison.

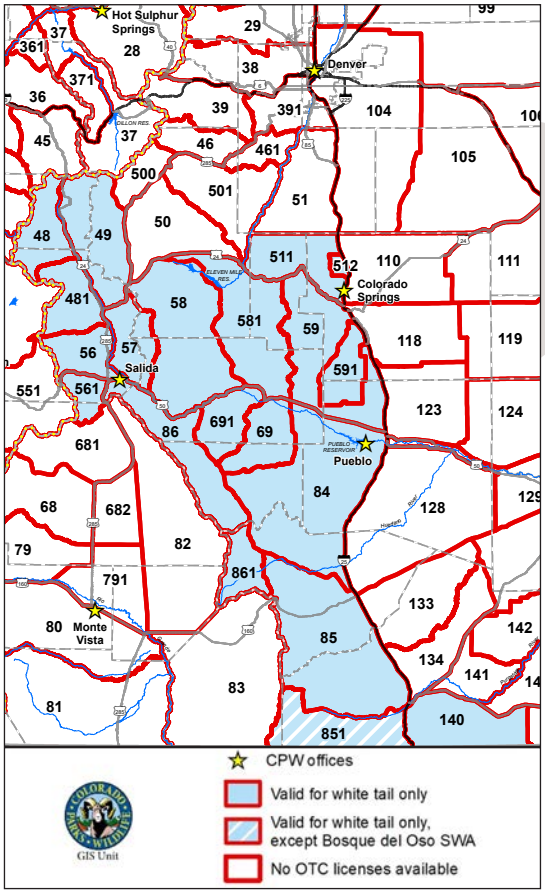
Can't I just look at the antlers?

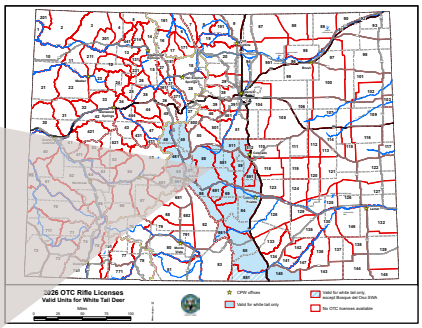
Antlers differ between the species, but are not a reliable distinguishing characteristic between white-tailed deer and mule deer.

What if I shoot a mule deer accidentally?

Hunters must be certain of their target to avoid killing a mule deer with a white-tailed-only license.

However, accidents happen. Please report any mistaken kills immediately to the nearest CPW office *(listed on the inside front cover of this brochure)* or the District Wildlife Manager in the area. *See the "Hunting Laws" section on page 15 for more details.*





Season dates: Dec. 1–31

Licenses: Either Sex

List: B

License agents only: D-E-048-U6-R

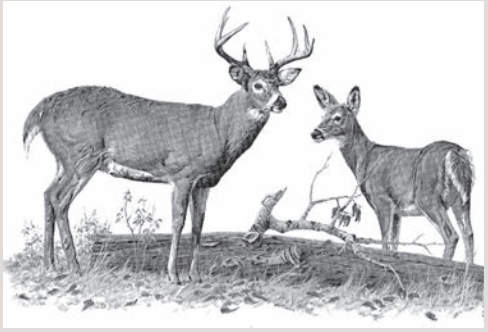
Valid units: 48, 49, 56, 57, 58, 59, 69, 84, 85, 86, 140, 481, 511, *512, 561, 581, 591, 691, 851 *except Bosque del Oso SWA*, 861

These licenses are sold only at CPW offices and state parks that sell hunting licenses. Hunters can receive more information about white-tailed identification when a license is purchased. **These are unlimited in number and go on sale starting at 9 a.m. on Aug. 4.**

Attention Hunters:
Whitetails are at low-density populations in this area and are mostly found on private land.

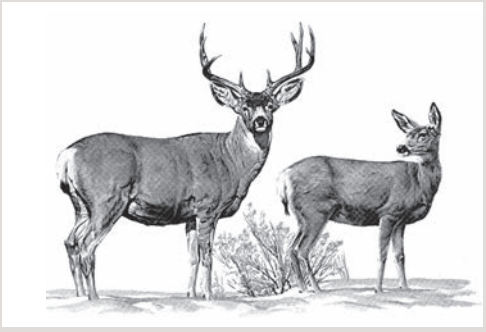
*Hunting access for white-tailed deer on the Air Force Academy (GMU 512) is by permit only, and only hand-held bows are allowed. *See Air Force Academy under "Land Closures & Use Restrictions," page 68.*

Identifying White-Tailed Deer vs. Mule Deer



White-Tailed Deer

- **Primary characteristic — the tail:** The first thing to look for is the tail. It's broad and brown with white fringe, all white when tail is up
- **Antlers:** consist of one main beam with three to five tines pointing upward. *Caution*: Mule deer with small antlers may appear to have a similar antler formation.
- **Ears:** smaller in proportion to head
- **Gait:** a graceful lope, flag-like tail often held up
- **Range:** common on Eastern Plains, in streamside wooded areas and cropland along rivers



Mule Deer

- **Tail:** rope-like tail with black tip
- **Antlers:** fork and fork again — often very evenly — on older males
- **Ears:** large in proportion to head on both bucks and does
- **Gait:** stiff-legged bounce, tail held down
- **Range:** statewide, in mountain shrubs, foothills, communities

Attention Hunters: ***Most land is private in units east of I-25.***
Landowner permission is advisable before applying for hunts in these units.
Such units include: 104, 105, 106, 107, 114, 115 and 121.

Attention Hunters:
Most land is private in units east of I-25.
Landowner permission is advisable before applying for hunts in these units.
Such units include: 104, 105, 106, 107, 114, 115 and 121.

Need to Know

- New **Mandatory Chronic Wasting Disease (CWD) testing for harvested elk in select GMUs:** In 2026, CPW will require mandatory submission of CWD test samples (heads) from all elk harvested during any of the rifle seasons from specific GMUs. There will be no charge for mandatory testing. *See page 41 for a list of the mandatory GMUs.* Get more information about where and how to submit a CWD sample at **cpw.state.co.us/cwd**.
- New **Antler point restrictions altered for Ranching for Wildlife properties:** Antler point restrictions on Ranching for Wildlife (RFW) properties shall follow the antler point restrictions for the GMU in which the ranch is located. *See page 36.*
- New **GMU 59, 511, 581 & 591 updates:**
  - GMUs added to valid over-the-counter antlerless archery units. *See page 38.*
  - License E-F-059-V1-A (GMUs 59, 511, 581 and 591) added to limited nonresident archery licenses. *See page 43.*
  - Antlerless licenses in GMUs moved from list A to list B. *See pages 44–52.*
- New **Antler point restrictions removed in GMU 82:** *See page 36.*
- New **Cow licenses in GMUs 44, 45, 47 & 444 moved from list A to list B:** *See pages 42–52.*
- New **Resident private-land-only archery licenses in GMU 62 and GMU groupings 64 & 65 and 28, 37 & 371:** *See page 42.*
- New **First season rifle bull licenses are now either sex for GMU 5 and GMU groupings 3 & 301 and 4 & 441. Fourth season rifle bull licenses are now either sex for GMU grouping 3, 4, 5, 301 & 441. First and fourth season rifle bull licenses are now either sex for GMU grouping 21, 22, 30, 31 & 32:** *See page 46.*
- New **Late-season rifle cow hunt in GMU 40:** *See page 48.*
- New **Second and third season rifle bull elk licenses in GMUs 54, 55 & 551 moved from unlimited over-the-counter to limited:** *See pages 48 & 52.*
- New **Extended rifle cow season in GMU 60 split in two:** Season dates for E-F-060-P5-R changed from Sept. 1–Dec. 31 to Aug. 15–Oct. 31, and new hunt code E-F-060-P6-R added with annual season dates Nov. 11–Jan. 31 added. *See page 49.*
- **Look for the bear paw symbol to get an add-on over-the-counter archery, muzzleloader or rifle bear license!** Some rifle (GMU 61 early Oct. season only) archery and muzzleloader bear licenses are available in unlimited numbers as add-on licenses only: You can add on one of these bear licenses if you have a deer or elk license for the same method of take and at least one unit overlaps. Check the archery and muzzleloader hunt code tables for deer *(pages 23–32)* and the archery, muzzleloader and rifle tables for elk *(pages 42–52)*, and the OTC archery maps for elk *(pages 38–39)* for the available add-on OTC bear license hunts. **Note that for some unit groupings, not every unit is valid for adding on an OTC bear license. Check the unit information in the tables carefully!** *Also see page 66 of the "Bear" section.*

Table Symbols

- **A plus (+)** in the SEX column is for hunt codes for which an average of a least six preference points are needed for a Colorado resident to draw that license. This is only an average and does not guarantee a license will be drawn. Now calculated by the number of preference points an adult Colorado resident needed to draw a specific license on average during the previous three limited license draws, with a one-year lag.

Preference Points

To apply for a point, enter **E-P-999-99-P** as your first-choice hunt code on your application. You can gain a preference point as a first choice on your primary draw application to use another year. You can use your second through fourth choices on the same application to apply for a license. You may only submit one application per species, per draw, per year. **Note that the secondary draw does not gain or use preference points.**

All big-game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, do not have a preference point fee. The application fee, $12.76 Habitat Stamp and qualifying license are nonrefundable. *See page 9.*

Other Hunts

San Luis Valley refuge elk permits

The USFWS allows a limited number of elk hunters to access and hunt on the Alamosa (GMU 83), Baca (GMU 82) and Monte Vista (GMU 80) National Wildlife refuges at any one time. An application and draw process creates a hunter list for each season. USFWS and CPW will coordinate yearly to determine the maximum number of hunters that will be allowed at any one time in each refuge. The numbers decided upon will be based on a number of factors, including elk densities, conflicts and behavior. As elk are harvested, hunters from the list are given permits to hunt.

To be eligible for an access permit and before they submit their application, hunters must hold an elk license that is valid for the season and refuge for which they wish to apply. The following seasons are open to permitted hunting on each of these refuges: archery; muzzleloader; first rifle; second rifle; third rifle; fourth rifle.

To be entered into the drawing, starting the day after leftover licenses go on sale, eligible hunters must email **montevista.wildlife@state.co.us**. Hunters will receive an automatic email response with a link to the Refuge Access Permit Application Form. Hunters will then need to provide certain information to apply: name, phone number and email address; the hunt code for the license with which they wish to hunt; and their CID number.

Hunters will need to complete the application form and select the correct refuge for which their license is valid in order to be entered. Applications will be accepted for five days, starting the day after leftover license day. Permits for the refuges will be issued via email after a random drawing held under the direct supervision of the Area Wildlife Manager and no later than August 25 annually.

San Luis Valley game damage elk hunt

A private-land-only elk damage hunt may be offered in units 82, 682 and 791. Contact the CPW office in Monte Vista, 719-587-6900, for details. These licenses are List B.

GMUs 82, 682 & 791:
Bull seasons: May 15–July 31 and Aug. 15–Feb. 28.
Cow season: Aug. 15–Feb. 28.

Definitions

- **Species identification page.** *See page 11.*
- **Bull (antlered):** A male animal with antlers at least 5 inches long. *See "Antler Point Restrictions" on page 36.*
- **Cow (antlerless):** A female animal with no antlers. "Antlerless" can also mean a young male with antlers less than 5 inches.
- **Either sex:** A legal bull or cow.

List A, B & C: Get More Than One Elk License

All big-game hunting licenses are either List A, B or C, as indicated in the last column of the hunt code tables *(see table example below)*. The List types exist so that you know if you can get more than one license for the same species:

- **List A:** You can only get **one** List A license = **A**
- **List B:** If a hunt is List B, you can get up to **two** licenses: one List A license and one List B license, or two List B licenses = **A+B or B+B**
- **List C:** If a hunt is List C, you can get **any** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C, etc. or B+B+C+C+C, etc.**

See the chart below for your options of getting more than one elk license!

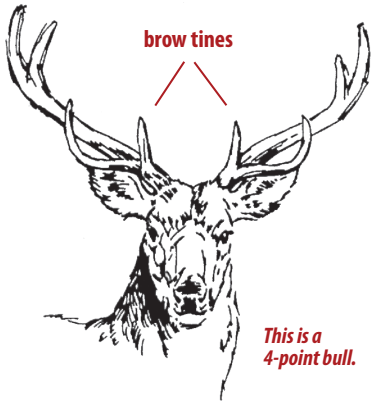
How to get them:

- **List A & B:** You may purchase **one** List A and **one** List B license per year, **or two** List B licenses per year. These licenses are available through the primary draw, secondary draw, as leftover licenses and over the counter as available.
- **List C:** You may purchase as many List C licenses per year that you'd like, in addition to any other licenses you hold. These are available through the primary draw, secondary draw, as leftover licenses and over-the-counter as available.
- **Example:** If you get a List B license in the primary draw, you can get either a List A or List B license in the secondary draw, and multiple List C licenses as leftover or over-the-counter licenses.

Antler-Point Restrictions



- **Go online** and read about antler point restrictions in more detail at **cpw.state.co.us/antler-point-restrictions**
- **An antler point** is a projection of antler at least 1 inch long and which is longer than the width of its base.
- **A brow tine** means a projection of the antler at least 5 inches long located on the lower half of the antler.
- **Restrictions:** Bull elk taken in all seasons must have four points or more on one antler, **or** a brow tine of at least 5 inches long in GMUs: 3, 4, 5, 6, 7, 8, 9, 11, 12, 13, 14, 15, 16, 17, 18, 19, 21, 22, 23, 24, 25, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 41, 42, 43, 44, 45, 47, 52, 53, 54, 55, 59, 60, 62, 63, 64, 65, 66, 67, 68, 70, 71, 72, 73, 74, 75, 77, 78, 79, 80, 81, 83, 85, 86, 131, 140, 161, 171, 181, 191, 211, 214, 231, 301, 361, 371, 411, 421, 431, 441, 444, 471, 511, 521, 551, 581, 591, 681, 691, 711, 741, 751, 771, 851 and 861.
- **Ranching for Wildlife:** New **Antler point restrictions on Ranching for Wildlife (RFW) properties shall follow the antler point restrictions for the GMU in which the ranch is located. Where a ranch spans multiple GMUs, the most restrictive of the restrictions shall be applied to the entirety of the RFW-enrolled property.**
- **No restrictions:** There are no antler-point restrictions for any season in GMUs: 1, 2, 10, 20, 29, 39, 40, 46, 48, 49, 50, 51, 56, 57, 58, 61, 69, 76, New **82**, 84, 201, 391, 461, 481, 500, 501, 561, 682, 791 or units east of I-25 (except unit 140). Antlers must meet the minimum length of 5 inches long.

Taxidermy

If you leave the head of your harvest with its antlers at a taxidermist, you are encouraged to get a receipt from the taxidermist — with date delivered and a description of the antlers — before you take the carcass home or to a commercial processor.

Handling Antlers in Camp

Head or skull plate, with both antlers naturally attached, must accompany the carcass of bulls in camp or in transit, even when the scrotum or testicles are used as evidence of sex.

Limited Licenses

New Chronic Wasting Disease (CWD): Mandatory Testing for Certain Hunt Codes in 2026

Check your hunt code closely *to see if your hunt falls within one of these units. For more information visit:* **cpw.state.co.us/cwd**

Hunt codes shaded in green:
All licenses from the hunt codes highlighted in green in the table below and in the rifle tables on pages 45–52 have been selected for mandatory CWD testing. All hunters who harvest an elk with these licenses are required to submit their elk head to a CPW submission site for testing. There will be no charge for mandatory testing. Learn where and how to submit a CWD sample at **cpw.state.co.us/cwd**. **Not all hunt codes in a unit were selected for mandatory CWD testing.**

Selected hunt codes are found in the GMUs: **3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 30, 31, 32, 33, 34, 37, 41, 42, 49, 50, 52, 57, 58, 61, 62, 64, 65, 70, 71, 72, 73, 131, 161, 171, 181, 191, 211, 214, 231, 301, 371, 411, 421, 441, 500, 501, 521, 711**

Ranching for Wildlife — Limited Licenses

Colorado residents only. Hunting rules differ for every ranch. All legal methods of take are permitted, except when specifically restricted. Read ranch rules at **cpw.state.co.us/rfw** before applying.

Pronghorn Season Dates

▪ **Archery**	**Aug. 15–Sept. 20***
▪ **Muzzleloader**	**Sept. 21–29**
▪ **Rifle**	**Oct. 3–11***
Check hunt code tables for early and late rifle season dates for certain hunts, pages 56–57.	

**unless otherwise noted in the brochure tables*

Attention Hunters:

Most land is private east of I-25, in many pronghorn hunting areas. Landowner permission is advisable before applying for the following units, as most land is private: 9, 104, 105, 106, 107, 110, 112, 113, 114, 115, 116, 120, 121, 128, 129, 130, 132, 136, 137 and 214.

Need to Know

- New **An archery either-sex, a rifle buck and a private-land-only rifle buck hunt added in GMU 30.** *See pages 55–56.*
- New **A muzzleloader doe and a muzzleloader buck hunt, and a private-land-only rifle doe hunt added in GMU grouping 15, 26 & 231.** *See pages 55–56.*
- New **Second-season rifle doe hunt in GMU grouping 6, 16, 17, 161 & 171.** *See pages 56–57.*

Preference Points

To apply for a preference point, enter **A-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your primary draw application to use another year. You can use your second through fourth choices on the same application to apply for a license. You may only submit one application per species, per draw, per year. **Note that the secondary draw does not gain or use preference points.**

All big game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, do not have a preference point fee. The application fee, $12.76 Habitat Stamp and qualifying license are nonrefundable. *See page 9.*

Definitions

- **Species identification.** *See page 11.*
- **Either:** A legal buck or doe.
- **Buck:** A male animal with horns at least five inches long from skull to tip, excluding a prong or point between the base and tip. Bucks have a black cheek patch.
- **Doe:** A female has horns that are less than five inches and no black cheek patch. Young bucks do have a black cheek patch; those with horns less than five inches long are also in this category. Fawns of either sex are considered does.
- **Archery.** Only legal hand-held bows are allowed in archery season. *See page 14.*
- **Muzzleloading.** Only legal muzzleloading rifles and smoothbore muskets are allowed in muzzleloader season. *See page 14.*

Archery buck and doe pronghorn licenses are available by draw and over the counter. All muzzleloader and rifle pronghorn licenses are limited, available through the draw only.

List A, B & C: Get More Than One Pronghorn License

All big-game hunting licenses are either List A, B or C, as indicated in the last column of the hunt code tables *(see table example below)*. The List types exist so that you know if you can get more than one license for the same species:

- **List A:** You can only get **one** List A license = **A**
- **List B:** If a hunt is List B, you can get up to **two** licenses: one List A license and one List B license, or two List B licenses = **A+B or B+B**
- **List C:** If a hunt is List C, you can get **ANY** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C, etc. or B+B+C+C+C, etc.**

See below for your options of getting more than one pronghorn license!

How to get them:

- **List A & B:** You may purchase **one** List A and **one** List B license per year, **or two** List B licenses per year. These licenses are available through the primary draw, secondary draw, as leftover licenses and over-the-counter as available.
- **List C:** You may purchase as many List C licenses per year that you'd like, in addition to any other licenses you hold. These are available through the primary draw, secondary draw, as leftover licenses and over-the-counter, as available.
- **Example:** If you get a List B license in the primary draw, you can get either a List A or List B license in the secondary draw, and multiple List C licenses as leftover or over-the-counter licenses.

Over-the-Counter Licenses: Either-Sex Pronghorn — Archery

Licenses are unlimited in number and available over the counter, **on sale starting at 9 a.m. on Aug. 4**.

These **are not** available through the draw.

Season dates:

Aug. 15–Sept. 20

These are either-sex licenses. Hunting is for bucks only from Aug. 15–31. If you do not harvest a buck during that time, you can hunt either sex from Sept. 1–20.

List: A

Method: Only legal hand-held bows are allowed in archery season.

License agents only:

Check the hunt code tables for separate cow and bull/either-sex moose hunting opportunities.

**unless otherwise noted in the brochure tables*

Need to Know

- **New** **New resident bull and cow hunts for GMUs 55 & 551:** *See pages 59–61.*
- **New** **New cow hunt for GMU grouping 48, 56, 481 & 561:** *See pages 59–61.*
- **New** **Resident bull season-choice hunt added in GMU 79:** GMU 79 moved from GMU 68 & 681 grouping. *See page 61.*
- **New** **GMU 55 split into east and west subunits for moose:** *See the boundary descriptions in "Game Management Unit Descriptions" on page 70.*
- **New** **Certain moose hunt codes will have limited quota in the draw in 2026:** Some of the quota for certain hunt codes for moose have been reserved for 2025 moose license holders who were affected by the 2025 fires. *See chart on this page.* Hunt codes shaded in orange in the moose hunt code tables on pages 59–61 have limited quota available for the 2026 draw as a result. *Unless you were contacted directly by CPW about this opportunity, any other 2025 moose licenses held are not eligible for a guaranteed 2026 license.*
- **New** **Wilderness-only hunts in GMU 66:** Resident archery, muzzleloader and rifle, and resident season-choice hunts on USFS/BLM Wilderness or USFS/BLM Wilderness Study areas (WSA) in GMU 66. Areas include Powderhorn Wilderness, La Garita Wilderness, Uncompaghre Wilderness, Red Cloud Peak WSA, Handies Peak WSA, Bill Hare Gulch WSA, Powderhorn WSA, American Flats WSA and Uncompahgre WSA. *See the hunt code tables on pages 59–61.*

Mandatory Moose Inspections

1. **All moose license holders** must complete and return a mandatory report provided by CPW within 30 days after their hunting season ends. Anyone who does not complete and return it, including those who were unsuccessful or did not hunt, will not be eligible for a future moose license or point.
2. **All moose must be presented in person for inspection** within five working days of harvest. Hunters must submit the head and lower jaw of antlered moose with antlers attached, and either the head and lower jaw **OR** an incisor of antlerless moose to a CPW office during normal business hours. A mandatory report will be completed during inspection.
3. **Tooth extraction is mandatory.** An incisor will be removed from the lower jaw and retained to determine age. Heads must be unfrozen for inspection.
4. **Voluntary CWD testing.** During inspection, hunters may choose to have their moose tested for chronic wasting disease. CWD testing fees are waived for all moose in 2026.

CPW recommends wearing fluorescent orange or pink clothes in the field, even if not hunting

Hunters are encouraged to wear hunter orange or pink during the overlapping archery and muzzleloader seasons to help address safety concerns.
See "Hunter Orange & Pink" on page 15.

List A, B & C: Get More Than One Moose License

All big-game hunting licenses are either List A, B or C, as indicated in the last column of the hunt code tables *(see table example below)*. The List types exist so that you know if you can get more than one license for the same species:

- **List A:** You can only get **one** List A license = **A**
- **List B:** If a hunt is List B, you can get up to **two** licenses: one List A license and one List B license, or two List B licenses = **A+B or B+B=**
- **List C:** If a hunt is List C, you can get **any** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C, etc. or B+B+C+C+C, etc.**

See the chart below for your options of getting more than one moose license!

See moose hunt codes beginning on page 59

Attention: You may submit **only one** application for **each species**, **per draw**, **per year**. Additional licenses for the same species must be obtained as leftovers, over-the-counter or special licenses issued by CPW.

Get 1 license List A	**A**	▶ All moose licenses are List A.
Get any number List C In addition to any list **A** licenses	**A+C+C+C...**	▶ CPW auction or raffle licenses ▶ Game-damage, population-management or disease-management licenses ▶ Youth outreach licenses ▶ Ranching for Wildlife licenses held for youth or hunters with mobility impairments ▶ One TIPs reward program license a year

How to get them:

- **List A:** You may purchase **one** through the draw.
- **List B:** There are no List B licenses for moose.
- **List C:** These are issued by CPW when available.

Ranching for Wildlife — Limited Licenses

Colorado residents only. Hunting rules differ for every ranch. All legal methods of take are permitted, except when specifically restricted. Read ranch rules at **cpwstate.co.us/rfw** before applying.

Licenses Guaranteed to 2026 Hunters

The hunt codes in this table have quota reserved for 2025 moose license holders who were affected by the 2025 fires. These hunt codes have limited quota available for the 2026 draw. ***See the archery, muzzleloader and rifle tables on pages 59-60, and the season choice tables on the page 61 for reference.***

Unit	Valid GMUs	Season	Dates	Hunt Code
25	**25, 26, 231**	Archery	Sept. 12–30	M-F-025-01-A
		Muzzleloader	Sept. 12–20	M-F-025-01-M

		Season Choice	A = Sept. 12–30; M = Sept. 12–20; R = Oct. 1–14	M-M-025-O1-X

- Allocation of licenses for the hunt codes ending in **A**, **M** or **R** in the table above *(shaded orange in the hunt code tables on pages 59–61)* will float between the moose seasons— archery, muzzleloader, rifle — based on the hunt code chosen by successful applicants.
- Licenses for the hunt codes ending in **X** in the table above *(shaded orange in the hunt code tables on pages 59–61)* are season choice licenses and valid during archery (A), muzzleloader (M) and rifle (R) seasons until filled.

Limited Licenses

Archery, Muzzleloader, Rifle — Resident

Cow only — these are not season choice licenses.

Be aware that hunt codes shaded orange in the following tables *(pages 59–61)* have quota reserved for 2026 moose license holders who were affected by the 2025 fires. These hunt codes have limited quota available for the 2026 draw. *See the "Licenses Guaranteed for 2026 Hunters" table on page 58 for details.*

Season Choice Limited Licenses — Hunt all seasons until you fill your bull or either-sex moose license!

- Season choice licenses are available to residents and nonresidents for hunting moose in the units specified in the tables below.
- You may use these licenses to hunt in any or all of the seasons in the specified units until your tag is filled: archery, muzzleloader and/or rifle seasons.
- You **must** use the correct method of take and follow the dates for each season. All other season restrictions also apply.

Season Choice — Resident

Bull & either-sex only — These licenses are season choice only.

Licenses valid during archery, muzzleloader and/or rifle seasons until filled. Hunters must follow all season restrictions, including season dates and manner-of-take restrictions.

Need to Know

- **New private-land-only rifle bear hunt for units 3, 11, 211 & 301:** *See page 64.*
- **Look for the bear paw symbol to get an add-on over-the-counter archery, muzzleloader or rifle bear license!**
  Some rifle (GMU 61 early October season only), archery and muzzleloader bear licenses are available in unlimited numbers as add-on licenses only: You can add on one of these bear licenses if you have a deer or elk license for the same method of take and at least one unit overlaps. Check the archery and muzzleloader hunt code tables for deer *(pages 23–32)* and the archery, muzzleloader and rifle tables for elk *(pages 42–52)*, and the OTC archery maps for elk *(pages 38–39)* for the available add-on OTC bear license hunts. Go to **cpw.state.co.us/bear** for the full list of every available bear hunt broken out by unit and hunt code to help find your ideal hunt.

Bear-Specific Hunting Laws

- **Inside dens:** Hunting, harvesting or harassing bears inside their dens is prohibited.
- **Cubs:** Black bears accompanied by one or more cubs cannot be killed. Cubs (bears younger than one year old) cannot be killed.
- **Hides:** Having a carcass, hide, skull, claws or parts of bears without a valid hunting license or unless authorized by CPW is illegal. It is also illegal to sell, trade, barter or offer to sell, trade or barter bear gall bladders or edible portions of bears.
- **Carcass tags:** See page 16 for detailed instructions on when to detach your tag and how to transport your harvest.
- **See pages 14–16 for important additional hunting laws.**

Preference Points

To apply for a preference point, enter **B-P-999-99-P** as your first-choice hunt code on your primary draw application.

You can gain a preference point as a first choice on your primary draw application to use another year. You can use your second through fourth choices on the same application to apply for a license. You may only submit one application per species, per draw, per year. Note that the secondary draw does not gain or use preference points.

All big game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, do not have a preference point fee. The application fee, $12.76 Habitat Stamp and qualifying license are non-refundable. *See "Preference Points" on page 9.*

List A, B & C: Get More Than One Bear License

All big-game hunting licenses are either List A, B or C, as indicated in the last column of the hunt code tables *(see table example below)*. The List types exist so that you know if you can get more than one license for the same species:

- **List A:** You can only get **one** List A license = **A**
- **List B:** If a hunt is List B, you can get up to **two** licenses: one List A license and one List B license, or two List B licenses = **A+B or B+B**
- **List C:** If a hunt is List C, you can get **ANY** number of List C licenses, as well as one List A license and one List B license, or two List B licenses = **A+B+C+C+C, etc. or B+B+C+C+C, etc.**

See below for your options of getting more than one bear license!

Sample rifle bear table, page 64

Attention: You may submit **only one** application for **each species**, **per draw**, **per year**. Additional licenses for the same species must be obtained as leftovers, over the counter or special licenses issued by CPW.

Get 1 license List A	**A**	▪ Check the hunt tables for List A licenses.
Get up to 2 List B	**A+B or B+B**	▪ Some private-land-only licenses ▪ Ranching for Wildlife licenses not included ▪ Check the hunt tables for List B licenses.
Get any number List C In addition to any list **A** or **B** licenses	**A+B+C+C... / B+B+C+C...**	▪ Some private-land-only licenses ▪ Over-the-counter licenses for hunt code **B-E-087-U6-R** ▪ Game-damage, population-management or disease-management licenses ▪ Ranching for Wildlife licenses held for youths or hunters with mobility impairments ▪ One TIPs reward program license a year ▪ Check the hunt tables for List C licenses.

How to get them:

- **List A & B:** You may purchase **one** List A and **one** List B license per year, **or two** List B licenses per year. These licenses are available through the primary draw, secondary draw, as leftover licenses and over-the-counter as available.
- **List C:** You may purchase as many List C licenses per year that you'd like, in addition to any other licenses you hold. These are available through the primary draw, secondary draw, as leftover licenses and over-the-counter as available.
- **Example:** If you get a List B license in the primary draw, you can get either a List A or List B license in the secondary draw, and multiple List C licenses as leftover or over-the-counter licenses.
- **Over-the-counter:** Sold at sales agents, CPW locations and online for rifle, archery and muzzleloader seasons. OTC archery and muzzleloader bear licenses are add-on only licenses. *See page 66 for details.*

Mandatory Bear Inspections & Seals

Hunters must **personally present their bear head and hide** to any CPW office *(see inside front cover)* during normal business hours, or by appointment with a CPW officer, for a free inspection, check report and sealing within five working days after harvest.

Bear heads and hides must be unfrozen when presented for inspection. Seals must be attached to the hide until tanned.

At inspection, CPW is authorized to extract and keep a premolar tooth. If the head and hide are frozen, CPW may keep them long enough to thaw so that a tooth can be removed. Hunters can help by making sure the jaw is propped open with a stick before rigor mortis sets in.

Bears cannot be taken out of Colorado until head and hide are inspected and sealed. Having a bear hide without a seal after the five-day period is illegal, and the hide becomes state property.

To transport a bear or parts to a foreign country, you must first obtain CITES documents. Contact the U.S. Fish and Wildlife Service, 303-342-7430. Do not call the U.S. Fish and Wildlife Service about inspections or seals for bears.

Meat does not need to be presented at the check, however all edible portions of meat **must** be prepared for human consumption.

Multiple Options for Hunting Bear!

There are multiple ways to get a license and hunt bear in Colorado. For example:

Hunter A: Hunter A only likes to hunt bear, so hunter A would need to:

1. Apply for a **limited** archery, muzzleloader or rifle bear license from the hunt code tables on pages 63–65. And/or:
2. Buy an **over-the-counter** rifle bear license when OTC licenses go on sale Aug. 4 at 9 a.m. *(hunt code tables on page 67)*.

Hunter B: Hunter B is planning to draw a deer or elk license, so hunter B has two options:

1. Also apply for a **limited** archery, muzzleloader or rifle bear license.
2. Wait to see if they are awarded an archery or muzzleloader deer or elk license, and then add on an **over-the-counter** bear license of the same method of take that matches at least one of the same units when OTC licenses go on sale.

Hunter C: Hunter C does not participate in the draw, but purchases an over-the-counter *archery elk* license every year. Hunter C will wait until **over-the-counter** licenses go on sale, purchase an OTC *archery elk* license, and then add on an OTC archery bear license that matches at least one of the same units. *There are no OTC archery deer licenses or OTC muzzleloader licenses for any species available.*

Add-On Over-the-Counter Licenses

- **When you see the bear paw symbol:** You can purchase an add-on over-the-counter archery, muzzleloader or rifle bear license **only** if you have a deer or elk license for the same method of take:
  - You ***must*** have any deer or elk license that is valid during archery season before you can purchase an over-the-counter archery bear license.
  - You ***must*** have any deer or elk license that is valid during muzzleloader season before you can purchase an over-the-counter muzzleloader bear license.
  - You ***must*** have a license for hunt code E-E-061-E1-R before you can purchase an over-the-counter rifle bear license.
  - At least ***one*** game management unit on your deer or elk license must match ***one*** unit listed on your bear license.
- **Check the deer & elk hunt code tables:** Look for the bear paw symbol in the archery and muzzleloader hunt code tables for deer *(pages 23–26)* and elk *(pages 42–44)*, and the OTC archery maps for elk *(pages 38–39)* to find hunts with add-on archery and muzzleloader bear licenses available.
- **When you can hunt:** You may hunt bear any time during the dates specified in the archery, muzzleloader and rifle tables below, with the correct method of take.
- **Where you can hunt:** You may hunt bear in any of the unit(s) listed in the table for which your bear license is valid. ***If your deer or elk license is for private land only, you must use your bear license on private land only.***

Archery — Add-On Over-the-Counter Licenses

Over-the-Counter Licenses

All archery, muzzleloader and rifle bear licenses that are sold over the counter are unlimited in number. **There are no longer licenses with caps.** These are either-sex licenses and can be purchased at CPW locations, sales agents, by phone (**1-800-244-5613**) or online at **cpw.state.co.us**. You can purchase licenses even after a season has started: Available online, by phone and in person at CPW offices and sales agents around the state.

These licenses are **not** available through the draws. If you apply for these hunt codes in a draw, your application will be automatically disqualified. Licenses are available on a first-come, first-served basis starting at **9 a.m.** on **Aug. 4**.

Certain rules apply to over-the-counter archery, muzzleloader and rifle bear licenses: See *"Add-on Over-the-Counter Licenses"* on the previous page.

Air Force Academy (AFA)

AFA hunters must pay an AFA access fee and receive a mandatory safety orientation. All rifle deer hunting is escorted, and is allowed only on the days, areas and by method of take authorized by the AFA. Archery white-tailed deer hunting is allowed by limited permit only from Dec. 1-31, self-escorted in specific assigned areas. Call 719-333-3308 or visit **usafa.isportsman.net** for more details.

1. Oct. 1–Dec. 31, unit 512 (specific days determined by AFA): Limited buck and doe deer licenses available by CPW drawing. *See unit 512 in deer rifle section for hunt code.* Deer hunting on the AFA is conducted to accomplish population management objectives.
2. Limited cow elk licenses, unit 512. Prospective hunters must apply online at **usafa.isportsman.net** from Jan. 1–May 31 for a random drawing held by AFA. *See the AFA iSportsman website for more details.*
3. Dec. 1-31, unit 512: OTC white-tailed deer only licenses (**D-E-048-U6-R**). Hunting access to the AFA is by permit only, issued by random drawing. Prospective hunters must apply online at **usafa.isportsman.net** from Aug. 1–Oct. 15. Hunting on the AFA is with hand-held bows only, no firearms or crossbows are permitted. *See the AFA iSportsman website for more details.*

Boulder County Parks & Open Space elk management (Unit 20)

Hunters must obtain a GMU 20 (subunit) antlerless elk license **with hunt code E-F-020-L3-R** through the primary draw. Drawing the license does not guarantee a hunt on Boulder County Open Space.

Elk hunting is through a special access permit obtained via lottery through Boulder County Parks & Open Space shortly after the regular draw. Other GMU 20 elk licenses, landowner licenses, damage/dispersal licenses, leftover licenses and licenses obtained in the secondary draw are not eligible. Successful applicants must attend a mandatory orientation and pass a shooting proficiency test. For more information go to: **bouldercountyopenspace.org/elk**

Conundrum Hot Springs area of Maroon Bells-Snowmass Wilderness (Unit 43)

Overnight camping permits required for some areas of the Maroon Bells-Snowmass Wilderness. Hunters who wish to hunt or scout in the Maroon Bells-Snowmass Wilderness portion of GMU 43 should be aware that some areas require an overnight camping permit reserved in advance. A limited number of permits are available. More information: **fs.usda.gov/whiteriver**

New Forest Service Closure (Unit 74)

There will be a Forest Service closure on Hermosa Park Rd. (FS 578) from Sept. 8–Oct. 13, 2026, which will affect access to a major portion of GMU 74. *Call the Columbine Ranger District at 970-501-5830 for more information.*

Fort Carson (Unit 591), Piñon Canyon Maneuver Site (Unit 142)

Attention Hunters! *Access policies for Fort Carson have changed. Detailed requirements are posted on the website below.* Limited licenses are available by CPW drawing. Archery either-sex and rifle bull elk licenses for second and third seasons are sold over the counter. A CPW license does not guarantee or authorize access to Fort Carson or Piñon Canyon. Military training has priority, CPW cannot offer refunds after the start of the season if access is unavailable.

Seasons on Fort Carson may be limited to muzzleloader, shotgun or archery. Access to Fort Carson and Piñon Canyon may be limited and subject to closures, call or check website. In addition to CPW requirements, Fort Carson requires other permits and briefings for hunters.

Be advised that both Fort Carson and Piñon Canyon utilize an automated check-in procedure called I-Sportsman. Check the website below for more information.

Hunting regulations specific to this area are in Fort Carson Regulation 200-6. Hunting information, firearms registration form and updates are at **fortcarson.isportsman.net**. Deer harvest information is available for Piñon Canyon on the website. ▪ Fort Carson information: 719-526-8006 ▪ Piñon Canyon information: 719-503-6529

Fort Collins Natural Areas (Unit 191)

Hunters crossing City of Fort Collins' Gateway Natural Area (in GMU 191) to access other lands must have a free city-issued permit at least one week (7 days) in advance to allow processing. Contact City of Fort Collins Natural Areas Department, 970-416-2815 or **fcgov.com/naturalareas/permits** for more information.

Green Ranch, Golden Gate Canyon & Centennial Cone Park (Unit 38)

- Limited hunting at Green Ranch is by permit and fee via a State Parks drawing in August. Hunters must have a limited license for unit 38 or an unlimited rifle bull elk license or unlimited archery license. Go to **cpw.state.co.us/green-ranch** or write: Golden Gate Canyon State Park, attn: Green Ranch, 92 Crawford Gulch Rd., Golden, CO 80403, 303-582-3707.
- License holders of Centennial Cone specific hunt codes (**D-E-038-L2-R, D-F-038-L2-R** and **E-F-038-L2-R**) must fulfill mandatory pre-hunt obligations as required by Jefferson Co. Open Space before access to Centennial Cone Park is permitted. Go to **jeffco.us/1192/Centennial-Cone-Park** for details or call 303-271-5973.

James M. John SWA & Lake Dorothy SWA (Unit 140)

Hunting access to James M. John and Lake Dorothey SWAs allowed only to hunters with access permits during regular archery, muzzleloader and rifle seasons for deer, elk and black bear, issued through random drawing. Maximum of two applicants per group application. Application period runs July 1–21, 2026. Go to **cpw.state.co.us/james-john-swa** for details.

Jumping Cow SWA (Unit 105)

Access allowed by special drawing process only. Hunters are selected by random drawing with applications due the third Monday in Aug. For information call 303-291-7227. Hunting only available for antlerless deer and doe pronghorn. Must have a valid hunting license for this unit to apply.

Kenosha Pass & Guanella Pass Rd. (Units 39, 46, 500 & 501)

Closed to hunting year-round along Kenosha Pass within 1/4 mile of Hwy. 285, between mile markers 203 and 206 in Park Co., excluding private lands.

Also closed to hunting within 1/4 mile of Guanella Pass Rd. (Clear Creek CR 381 and Park CR 62) when the road is open to motor-vehicle traffic, from mile markers 12.5 to 19 (located at the intersection of Guanella Pass Rd. and the Clear Lake picnic area). This closure includes 1/4 mile around and including Deadman's Lake (E of Guanella Pass Rd., N of Mt. Bierstadt Trail [USFS trail 711]), excluding private lands. When Guanella Pass Rd. is closed to motor-vehicle traffic, the hunting closure is lifted.

Lone Mesa State Park (Unit 711)

Limited public hunting at Lone Mesa SP is by permit and fee via Mancos SP drawing in June. To be eligible for an access permit and before an application is submitted, hunters must hold a valid limited elk, deer or bear (except for Sept. rifle bear) license that is valid for the season and GMU for which they wish to apply or an unlimited rifle bull elk license. An online application will be made available on the Lone Mesa website at the beginning of June after licenses are issued. For more info email **lone.mesa.park@state.co.us** or call Mancos SP at 970-533-7065.

Mount Blue Sky Highway

Hunting prohibited on Mt. Blue Sky Summit Lake Cirque and within a 1/4-mile of either side of the centerline of Mt. Blue Sky Hwy. (Colo. 5) while the road is open to vehicle traffic from the intersection with Colo. 103 to the summit.

When Mt. Blue Sky Hwy. is closed to vehicles at the entrance gates at the intersection of Colo. 5 and Colo. 103, the hunting closure is lifted. Hunting is prohibited within a half-mile of Colo. 5 at all times for white-tailed ptarmigan hunting.

Statewide Restrictions

1. Hunting is prohibited within 50 feet of centerline of state highways or municipal or county roads. Land between divided highways is closed to hunting.
2. **Hunters:** Be aware that specific restrictions apply on State Wildlife Areas and State Trust Lands leased by CPW. Before hunting on any of these properties, please consult the CPW State Recreational Lands brochure.
3. Hunting is prohibited in Gore Creek drainage south of I-70 from Lion's Head ski lift at Vail to I-70 and U.S. 24. Hunting is prohibited north of I-70 and within a half-mile of I-70 between Vail and I-70 and U.S. 24.
4. Certain counties and national wildlife refuges may have individual restrictions. Consult specific counties and refuges websites for more information.
5. National parks and monuments managed by the National Park Service are closed to hunting. Check park websites for more information.
6. Research your hunting area before your hunting season. CPW cannot offer refunds after the start of the season if hunting access is unavailable.

State Trust Lands (STL)

CPW participates in the State Trust Lands Hunting and Fishing Access Program, but not all State Trust Lands designated on maps are in the CPW program. Only STL properties in CPW's State Recreational Lands brochure may be open for wildlife recreation.

Public Lands Use & Closures

Public lands throughout Colorado are managed by several different agencies. Contact the agency that manages the land where you will be hunting before the start of the hunting season. Forest Service closures: **fs.usda.gov/about-agency/contact-us** to find regional offices.

Red Mountain Open Space (Unit 9)

Limited bull and cow elk, buck deer and late doe pronghorn hunting in portions of the second, third and fourth rifle seasons is by special access permit via a Larimer County Department of Natural Resources drawing in Feb. Applicants must submit an online application. Successful applicants must attend a mandatory orientation. Hunters must have a valid CPW license for the unit and season; these are available through the CPW draw process. Information is at: **larimer.gov/naturalresources/parks/red-mountain/hunting**. *Unit 9 leftover licenses do not apply for this property. For more info contact Larimer County at 970-498-5610.*

Ridgway State Park (Unit 62)

Deer hunting allowed for hunters with mobility impairment in second and third rifle deer seasons. Two hunters are selected by drawing for each season. Contact the park at 970-626-5822; or email: **ridgway.park@state.co.us**

Sharptail Ridge SWA (Unit 51)

Deer and elk hunting only by special Sharptail Ridge-specific permit. Hunters are selected by random drawing for a two or three-day hunt. Application deadline is Aug. 10. Must have a deer or elk license valid for GMU 51 public land to apply. For more information call 303-291-7227.

Soapstone Prairie Natural Area (Unit 9)

Limited late-season doe pronghorn hunting in December is by special access permit via a joint Larimer County/City of Fort Collins drawing in Feb. Successful applicants must attend a mandatory orientation. Hunters must have a valid CPW license for the unit and season; these are available through the CPW draw process. Information is at: **larimer.gov/naturalresources/parks/red-mountain/hunting**. *Unit 9 Leftover licenses do not apply for this property. For more info contact City of Fort Collins at 970-416-2815.*
